

FRESNO IS AFTER FIVE MILLION LUMBER PLANT

Industrial Committee To Hold Conference In Bay City

WOULD EMPLOY TWO THOUSAND
Annual Pay Roll of 260 Thousand Would Be Paid

Fresno today has an opportunity of obtaining a five million dollar industrial plant which will employ approximately 2,000 men and will bring approximately 10,000 new residents to the county. For the past year, the industrial committee of the Fresno County Chamber of Commerce has been working, attempting to overcome obstacles. In an effort to bring the Sugar Pine Lumber company's new mill to this city.

The preliminary efforts were completed yesterday afternoon when members of the industrial committee including Chairman Speed H. Lee, C. T. Courley, president of the chamber, J. C. Forkner, W. A. Sullivan, Fred W. Gregory, C. H. Austin and Al C. Joy, visited Modesto where a conference with Arthur Heavens, general manager of the company, was held.

It was declared from Seaverich that Fresno has a chance for consideration as a site for the proposed plant and accordingly a meeting with Elmer Cox, the president of the company, is to be held in San Francisco next Tuesday. It is developed from the committee that there is an opportunity to get the big mill, a vigorous campaign will be waged here at once to obtain funds to be used as a bonus offer to bring the plant here.

The Sugar Pine Lumber company owns the finest forest of sugar pine and yellow pine in the world today, the holdings extending far back into the Sierras that have been rarely traversed. Including the famous Mineral Springs.

Coincident with the bringing of the new lumber mill, which would have an annual output of 30,000,000 board feet, to Fresno would be the possibility of bringing numerous industries, which are dependent on the timber industry.

An annual payroll of over \$200,000 would be distributed among the 1500 men employed. The amount is increased by an equivalent amount of money that the company would spend for power, equipment, food and such things would mean that Fresno would be a big money center.

But to obtain this mill at least one thing is necessary—to make this offer to the directors of the company as attractive as possible. The company has offered \$100,000 in cash and land holdings bringing the total offer up to nearly \$1,000,000.

Fresno must meet Modesto's offer and the industrial committee has already replied from Coval next Tuesday meeting, the local committee will at once start a campaign to raise several hundred thousand dollars at each house and land holdings worth at least a million dollars.

To start the campaign, J. C. Forkner of Fresno made an offer to the committee of \$25,000. Similarly large donations will be expected from other persons and institutions interested in Fresno's industrial expansion.

While it was the original intention of the company to locate the mill at Placerville, it has been learned that those ideas have been abandoned. The site of the saw-mill, if the plant comes to Fresno county, would be located within close proximity to this city.

A railroad extending from the mills to the mountains and back into the Sierras, would be a big asset to the city. The high Sierras to a point near the Yosemite. It is pointed out that the building of this railroad would open up the vast wilderness and would further assist in the development of the high mountain region for mining operations. The amount of money is said to be among the richest in the world. The country here due to its inaccessibility, actual development of the locality was never carried out.

In the meantime, scattered about will be placed saw mills that will cut the logs into sections and will enable their being shipped to the valley on the railroad. In the valley a huge plant is to be erected, containing a four ton saw mill. An outlay of \$2,500,000 is to be spent on the saw mill including the scattered about in the valley. The plant proper will include a molding factory, a planing mill and a shank factory. The contemplated structures will cover a section of land.

PLOTS AGAINST U. S. OFFICIALS IN PARIS REVEALED

Threaten To Blow Up Reparations and Passport Departments

By the Associated Press.
PARIS, Oct. 20.—A plot by French communists to take retaliatory measures against all American officials in France in the event of the execution of Sacco and Vanzetti, convicted in the United States of murder, was revealed tonight when it became known that threats had been made to blow up the offices of the American reparations commission and the passport bureau.

Threatening letters warning reprisals in the event of the death of the two men were also received today by the American consul general, J. M. Throckmold, and the American consuls at Marseilles, Bordeaux and Lyons. As a result, strong forces of police are guarding the new buildings near the Place de l'Hotel de Ville, where the reparations commission and the passport bureau are located. Also the consulates in Bordeaux, Lyons and Marseilles are being guarded.

Letters to the passport and reparations officials were not signed, but a letter received by Mr. Throckmold tonight was signed by the communists in a small town near Lille. It said that if the reparations commission and the passport bureau were taken against American citizens in France if the men were executed.

No arrests had been made tonight by the French police in connection with the plot. The American consul at Marseilles, however, said they have abandoned the theory of a plot and believe that the

reparations commission and the passport bureau are being guarded.

CONFERENCE ON DR. BRUMFIELD ATTEMPTS TO TAKE HIS LIFE

ARMAMENT AGENDA SET

Mass of Information To Be Taken Up At Session

APPROVAL OF AGENDA GIVEN

American Restriction on Immigration Not To Be Discussed

WASHINGTON, Oct. 20.—Members of the American delegation to the conference on limitations of armaments will meet again with Secretary Hughes tomorrow, with additional data bearing on questions to be discussed, ready for inspection.

The work of getting up the studies at various matters included under the agenda has gone ahead and the mass of information accumulated for the delegates being greatly augmented.

It was learned today that American officials do not expect the question of immigration restriction to be discussed at the conference.

As to the agenda, it was again said authoritatively today no objection had been made by any power to the outline of discussions proposed.

When the conference meets, it was said, it was possible further topics within the scope of the agenda will be proposed and accepted, but it was held out no question of embracing in the general outline furnished by the accepted program of discussion.

It was again emphasized that the conference is to be a meeting of equals and that it involves no matter of superiority or inferiority.

It was said, and no delegation can be bound against its will on any point. The whole purpose, it was added, was to reach by discussion such a mutual understanding on points taken up that a mutual agreement would flow naturally from that understanding.

The form of such agreements, when reached, must be decided on by the conference and before they can become binding or be written into the policy of any of the participating governments, they would have to be approved by their respective legislatures.

It is the view of the mission and method of the conference that impels officials here to believe that such questions as oriental immigration will not be brought up.

First contingents from several countries to the limitation armaments conference will arrive Sunday and will be met by Robert Wood, assistant secretary of state.

China, with her 400,000,000 inhabitants, is the factor most menacing the peace of the East and of the world in the opinion expressed here today by Dr. Ching Xu-Chuan, chief counselor of the Chinese Foreign Office at Peking, who is here on his way to Washington to attend the disarmament conference.

With him is a party of 98 consulting delegates of the Chinese mission to the conference. Dr. Chang said:

RAILROAD HEADS MOVEMENT TO AVERT STRIKE IS FRUITLESS

Conference Between Rail Heads and Union Leaders Adjourns Without Results

By the Associated Press.
CHICAGO, Oct. 20.—Efforts by the Railroad Labor board to avert the threatened railroad strike through conferences with heads of the five unions, which have ordered a walkout effective October 30, failed when the meeting adjourned tonight with the announcement by the board that "while the discussions were beneficial, no definite results were obtained."

Adjourning Is Final

CHICAGO, Oct. 20.—"Adjournment is final," Chairman H. M. Barton of the labor board announced. "We do not plan any further conferences with the labor leaders now or do we plan, at present, to call in the railroad presidents, I can not say what our next step might be."

There has been a full and frank discussion of the situation," said a statement given out by Ben V. Hooper, vice chairman of the board. "The labor board and the brotherhood chiefs exchanged views in a perfectly plain way. The 'negotiations' were beneficial, but we can not say any definite results were obtained."

The five union presidents immediately went into a secret conference with the board members, but they probably would go back to Cleveland tonight.

While the board members came out of the afternoon session smiling and in a jovial mood, they said, they refused to publicly discuss the session—aside from the statements by Chairman Barton and Vice Chairman Hooper.

Optimism Pronounced

WASHINGTON, Oct. 20.—The note of optimism of official discussion of the threatened railroad strike was more pronounced today. Several union members expressed confidence that the "cooling off period" which has intervened since the strike call had served to lessen the danger of a national railroad strike.

One definite development, however, was the announcement that preparations had been completed for the continuation under the commerce department of the railroad strike.

Secretary Hoover, in announcing that the department of commerce was prepared to serve as a focal point for effort of state and municipal governments to secure the necessities of food, fuel and other primary commodities in the event of the strike, indicated that motor truck and water transportation would be used to supplement any interruption of the railroads.

Traffic experts have computed that, through the proper use of motor equipment, the average American city can draw subsistence from a contiguous territory within 50 miles.

Under that plan, it was said, a community would not feel the effects of a national strike before "several weeks of increased emergency."

Reports to the department indicate that large industries generally have been busy assembling reserve stocks of fuel and raw material.

This preparation would permit the department to be centered in behalf of those industries unable to take similar precautions, and would limit the danger of industrial shut-downs.

Commerce commission, involving positions for rate reductions, are of western agricultural interests which have urged elimination of all war time increases on grain, livestock feed, and that of dealers in hardware and "war products" operating through territory east of Arkansas, for material decreases in rates on lumber.

Development today strengthened the impression that the administration would not move in the strike situation until the railroad labor board had been given opportunity to function and until the railroad administration was behind the board and would lend full support to its program now in progress of formation.

Vacancies To Be Filled

NEW YORK, Oct. 20.—Executives of railroads entering New York in preparation to meet the threatened rail strike, today decided to take a "wait and see" attitude, but the number who would stick to their posts. Officials of various roads expressed confidence that they would encounter no difficulty in filling vacancies.

They based this confidence largely on the response they said they had received to advertisements for workmen. In addition, they announced, they were lining up reserved railroaders. "I call another source of labor," railroad officials asserted, "was to be found in colleges, clubs and community circles."

APPOINTMENT JUDGE.

SACRAMENTO, Oct. 20.—The appointment by Governor William Stephens of W. H. Ellis, an attorney of Riverside, as superior judge of Riverside county to succeed Judge H. H. Craig, resigned today, was announced by the governor's office.

STRIKE OIL.

PINE BLUFF, Ark., Oct. 20.—A wildcat oil well struck near Stephens, Ark., at noon today and is reported spouting thousands of barrels of oil. The well marks the first strike in Arkansas outside of the Eldorado field.

Presage Reduction In Hotel Rates

SANTA BARBARA, Oct. 20.—A general price reduction which will bring southern California hotel rates back to the pre-war level was suggested today when the Los Angeles Ambassador Hotel, which is a general manager and vice president of the Ambassador Hotel corporation, announced here today—25 to 35 per cent reduction in rates over last winter. A special effort is to be made to "get the Florida business," according to Mr. Frank and other hotel men here.

Royalty Spending Honeymoon In U. S.

NEW YORK, Oct. 20.—Former President Venustiano Carranza, returned by his admirers, "the modern Ulysses," will arrive here tomorrow on the Aquitania with his bride for his American honeymoon.

The statesman married Miss Helena Schillz, many years his junior, in London, September 14. He announced before sailing that he intended to visit Washington, Chicago and California.

DR. BRUMFIELD ATTEMPTS TO TAKE HIS LIFE

ARMAMENT AGENDA SET

Mass of Information To Be Taken Up At Session

APPROVAL OF AGENDA GIVEN

American Restriction on Immigration Not To Be Discussed

WASHINGTON, Oct. 20.—Members of the American delegation to the conference on limitations of armaments will meet again with Secretary Hughes tomorrow, with additional data bearing on questions to be discussed, ready for inspection.

The work of getting up the studies at various matters included under the agenda has gone ahead and the mass of information accumulated for the delegates being greatly augmented.

It was learned today that American officials do not expect the question of immigration restriction to be discussed at the conference.

As to the agenda, it was again said authoritatively today no objection had been made by any power to the outline of discussions proposed.

When the conference meets, it was said, it was possible further topics within the scope of the agenda will be proposed and accepted, but it was held out no question of embracing in the general outline furnished by the accepted program of discussion.

It was again emphasized that the conference is to be a meeting of equals and that it involves no matter of superiority or inferiority.

COUNTY JOINS IN CELEBRATION

Rodeo to Feature Tulare Armistice Day

TULARE, Oct. 20.—M. R. Del Rey, local stockman, who is far famed for the rodeos he has staged throughout the state, has been secured by the celebration committee of the Tulare County Armistice Day celebration to handle the rodeo on the afternoon of the third day of the fiesta, it was announced today.

Del Rey is making plans for one of the biggest rodeos ever attempted in this part of the state, and is preparing a program and a list of prizes that will draw riders from all over the valley. Special events in the line of horse bucking, bull riding, calf tying, races, and other features of the afternoon program.

Another feature of the Saturday afternoon program will be a football game between the Tulare high school team. The high school season will be well advanced by the day of the celebration, and it is expected that the team will be sufficiently well matched to draw many devotees of the sport to the game.

Unconscious But Not Intoxicated Is Man's Defense

VISALIA, Oct. 20.—That two strange looking white pills given him by an unknown Dolano physician to ease the pain in his arm, which had been burned by gasoline previously, had given him such severe cramps as to render him unconscious was the defense advanced this afternoon by J. W. Harper of Hixley who is on trial charged with driving an automobile while intoxicated June 5. The case will be completed by noon tomorrow.

The prosecution contended Harper was so intoxicated immediately after he left the car in question that it took two men to lift him into a machine to bring him to the jail in Visalia. Harper insisted he had had no liquor until after he had finished the short auto trip in question and had then taken but two drinks of wine.

PHILADELPHIA, Oct. 20.—The All-English woman's field hockey team defeated the 1921 All-Philadelphia eleven in the opening match of the visitors' American tour today 10 to 1.

Bar Association Opens Meeting

RIVERSIDE, Calif., Oct. 20.—The twelfth annual meeting of the California State Bar association opened here today with an address of welcome by Mayor Horace Porter of Riverside.

Charles S. Cushing of San Francisco responded on behalf of the delegates and after a number of committee reports had been presented, H. D. Wyckoff of Watsonville, president of the association, delivered the executive's annual address.

Judge Jeremiah Sullivan of San Francisco, was expected late today to open discussion of the question as to the "statutory incorporation of the bar," a plan which its proponents declare would give added strength to the legal profession.

HEAR CONTEST
SACRAMENTO, Oct. 20.—The contest of Jacob Masse and Charles Wohlberg, held in Los Angeles, who are resisting extradition to Douglas county, Nebraska, to answer to charges in the commission of a felony, was taken under advisement today by Governor William D. Stephens at the close of a hearing.

RECORD SHOCKS.
WASHINGTON, Oct. 20.—Pro-nounced earthquake shocks beginning at 1:11 a. m. and continuing until 3 o'clock were recorded today at the Georgetown University seismographical observatory. The center of the disturbance was estimated at about 4400 miles from Washington.

TWO LOSE LIVES.
MARINE CITY, Mich., Oct. 20.—Two members of the crew of the steamer William H. Wolf lost their lives when the vessel burned opposite here today and Captain J. P. Benson, of Detroit, who escaped by jumping from the deck of his ship into a small boat, suffered fractures to both legs.

SUPPORT PARTICIPATION
WASHINGTON, Oct. 20.—American participation in an exposition at Rio de Janeiro next year to celebrate the centennial of Brazilian independence was provided in a bill passed today by the Senate carrying an appropriation of \$1,000,000 for an American building and exhibit.

VISALIA, Oct. 20.—William Sims, who pleaded guilty to assault with a deadly weapon upon Lee Jones, at the Small ranch last spring, today was sentenced to six months in the county jail. Superior Judge W. E. Wallace pronounced judgment. Sims had asked for probation, which was denied him.

Dr. Bramfield To Be Sentenced

ROSEBURG, Ore., Oct. 20.—Sentence of death by hanging is to be imposed Saturday upon Dr. R. M. Bramfield, according to announcement in court after a verdict was returned at midnight by the jury which for the days had been hearing the story of the wrecked automobile and the headless body of Dennis Russell.

The prisoner, who throughout the two weeks of trial maintained a stolid exterior, showed no emotion when the verdict was read and walked with firm step to the gallows.

Mrs. Bramfield was still in a state of collapse today following her breakdown in court when the finding of the jurors was announced.

SENTENCED TO JAIL
TURLOCK, Oct. 20.—Carl Hedberg was sentenced to serve 10 days in the county jail by Judge Brown yesterday morning on the charge of being intoxicated and violating an official duty. It is said that Hedberg introduced a dance which was in progress here Wednesday night, his action leading to his arrest by Constable A. M. Stahl.

UNION COUNCIL HOLDS SESSION

Results of Meeting Are Withheld

BANKERSVILLE, Oct. 26.—The district council that is directing the strike of oil workers in the San Joaquin fields was in almost continuous session today and was still engaged in the work of what was being done was carefully withheld from the rank and file of strikers as well as from the public generally. The session of the district council began last night when Walter J. Yarow, union adviser, returned from a long absence, and they continued the most of the night and all of today.

Meanwhile, 15 companies operating in Kern county filed notice with the county supervisors that "the county of Kern will be held responsible for any and all injury to property caused or done by violence." The notices were on forms sent out by the executive committee of the Oil Producers' association, and they were coming in rapidly today.

Man Killed and Brother Injured

LOS ANGELES, Oct. 26.—Ascension Correa, 32, a Mexican, died in the Los Angeles county hospital early today and his brother, Vicente Correa, 36, was in a critical condition there, following a shooting affray on a highway near Los Angeles last night. Mr. Correa, 18, of Culver, Cal., was both at Whittier, where he was in the county jail in connection with the shooting.

According to sheriff's deputies, Guthrie and Mary said they were fired upon by the Correas while driving along the highway. They then went to an oil station, procured a shotgun and drove back along the road, past the Mexicans where they declared, another encounter occurred. The deputies declared their investigation showed Guthrie fired twice, a load of buckshot striking each of the Correas. They said they could find no trace of any weapons that might have been in the hands of the Mexicans. The Correas lived the scene of the shooting, about two miles east of the city.

List Stockyards To Be Supervised

WASHINGTON, Oct. 26.—A list of the stockyards which under the packers and stockyards act will come before the supervision of the secretary of agriculture on November 1, was made public here today. Fifty-four yards in almost as many cities are included in today's list and it was announced at least 15 others will be added as their status under the bill is confirmed officially.

Tentative regulations for the control of the yards as well as commission men and other market agencies, will be published soon, the department announced, however, that these are "open to modification upon suggestion or criticism from interested firms and persons."

Fourth Increase In Oil Prices Made

PITTSBURGH, Oct. 26.—The fourth increase in the price of crude oil this month was announced here today by the principal purchasing agencies at the opening of the market, an advance of 25 cents a barrel on the following grades: Pennsylvania crude \$3.50; Corning, \$2.15; Cabell, \$2.55; Somerset, \$2.15; Somerset, light, \$2.40.

Regard, the only heavy oil quoted in this market, was advanced 15 cents a barrel to \$2.15.

You Can Afford to Wear Good Eyeglasses

You can afford to wear scientific eyeglasses and have good vision at these prices, genuine invisible KRYPTOK bifocal lenses \$8.50 per pair, including an examination, guaranteed by Dr. Kearns, whose eyeglasses have stood the test for 26 years.

Where can you equal this offer and make such a great saving? Independent of any optical trust.

DR. KEARNS

Lloyd George Settles Religious Argument

SPRINGFIELD, Ill., Oct. 26.—Controversy over the religious affiliation of David Lloyd George, prime minister of Great Britain, who has been claimed by both Disciples of Christ and Baptists, was settled today by Lloyd George himself, after the manner of a Solomon, choosing neither the one nor the other, but claiming them both.

Community Center Plans Year's Work

CLOVIS, Oct. 26.—Plans for the year's work were made at the meeting of the Clovis Community center last evening at the old auditorium, the meeting being the first of the fall session. Roy Pack presided and Mrs. W. D. Howard acted as secretary.

A number of committees were appointed and it was decided to ask Rev. W. E. Oliver of the Presbyterian church to preside as president this year. The H-Y team will be allowed the use of the auditorium on Tuesday evenings and the girls' basketball team on Thursday. Mrs. Dorothy Bridges will be in charge of the girls. Other organizations will be allotted time at the next meeting.

The Garfield, Jefferson and other colonies and the American Legion will use the hall for indoor baseball games which will be arranged within the near future.

DENY REPORTS
LONDON, Oct. 26.—The reports that Great Britain was planning the establishment of naval bases in the Bahamas, at Singapore or elsewhere, were termed "pure imagination" today by an admiralty official, who declared he was unable to understand what Premier Hughes of Australia was referring to in his recent speech on the subject.

\$150,000 THEATER FIRE
OTAWA, Ont., Oct. 26.—The Dominion theater, a brick structure, was destroyed by fire today with a \$150,000 loss.

CONTROL FIRES
LOS ANGELES, Oct. 26.—Forest fires in the Malibu mountains, about 20 miles north of Santa Monica, were reported under control today.

SEEK APPEAL OF WOODS CASE

Sentence To Jail Is Held Up

VISALIA, Oct. 26.—Nine months in the county jail, subject to release in seven and one-half months with good behavior credits, was the sentence this morning imposed upon Mel Woods, of Tulare, convicted last week of rape by a jury in the superior court.

Woods' attorney, H. B. McClure, moved for a new trial which was denied and thereupon served notice of appeal to the higher court which automatically stays the execution of the sentence until the appeal is heard. In the meantime Woods was released on bail.

Mrs. Woods is in a very critical condition at their Tulare home, it is said, and the bad was asked that he might be with his wife during her illness.

Is Found Guilty On Serious Charge

MODESTO, Oct. 26.—Alvin McCoy, charged with rape, preferred against him by Mrs. Minnie, whom it is alleged he duped into a fake marriage ceremony which was purported to have been performed in Berkeley the latter part of 1926, was found guilty by a mixed jury yesterday afternoon after an hour's deliberation. The case was tried before Superior Judge J. C. Needham.

INAUGURATE NEW HEAD.
ITHACA, N. Y., Oct. 26.—Cornell University today inaugurated a new president, Dr. N. Livingston Farrand, in the post made vacant by the resignation of Dr. Jacob Gould Schurman, now minister to China. The university laid the cornerstone of a new chemical laboratory.

TWO WOUNDED
BELFAST, Oct. 26.—Two persons were wounded during firing which occurred in St. George's street area between military and snipers last evening. One of the injured was a young man.

ANNUL RECENT LEGISLATION LISBON, Oct. 26.—The new calendar, consisted of a nonparty basis, has annulled the legislative elections of July 16, and all judicial acts of the present parliament.

TURKISH FORCES DEFEATED.
ATHENS, Oct. 26.—Turkish nationalist forces have been defeated in a sharp battle of two days along the southern end of the battle front in Asia Minor, says an official statement.

UNIVERSITY AGAINST WOMEN
LONDON, Oct. 26.—Cambridge University today again voted against granting women membership in the university by a majority of 214. On December 3, last, the university refused women membership by a vote of 265 to 172. It was voted, however, to give women titular degrees by diploma.

BABY SMOTHERS
SPOKANE, Wash., Oct. 26.—The three month old baby of Mrs. Signe Swanson of Burke, Idaho, was smothered today in a lounge which painters closed, thinking it contained only bedding. The child was dead when Mrs. Swanson opened the lounge five minutes after it had been closed.

War Department To Sell Real Estate

WASHINGTON, Oct. 26.—The war department is preparing to sell at auction as part of the army economy campaign more than 70 real estate tracts over the country, regarded as useless for army purposes. The tracts to be sold as soon as authorization can be obtained from Congress include a number of old forts and military post sites. Among the latter is all of the Fort McHenry, Md., reservation, with exception of a plot to be retained as the site for the monument to Francis Scott Key, another of the Acquia hill company. The author of "The Star Spangled Banner" Communities in the vicinity of each site will be given first opportunity to purchase for municipal purposes, and where historical interest attaches, California—Brothers and Sisters and Maria Islands, Molokai Island.

RECORD SHOCK SEATTLE, Oct. 26.—An earthquake shock of moderate intensity, probably centered at a great distance southeast of Seattle, was recorded on the seismograph at the University of Washington last night. The shock began at 10:27 p. m. and continued for more than an hour.

Enjoin Interfering With Oil Company

MEXICO CITY, Oct. 26.—Officials of the state of Vera Cruz were enjoined from interfering with the operations of the Acquia oil company, a British concern yesterday, by the Mexican supreme court. The injunction stopped the officials from carrying out the provisions of recent acts of the state legislature and declared that those acts were not retroactive, in that they had no effect upon transactions on record before the passage of legislation.

Leaves Fortune For Care of Cats

"Without the treacherous help of cathartics"

A simple food which gradually replaces laxatives

HE who can control chronic constipation without the treacherous help of cathartics makes a "booster" of his patient.

This quotation from a doctor's essay on constipation carries a message of great significance to thousands of men and women.

It is now recognized that cathartics never remove the causes of constipation. Indeed, one physician states that the indiscriminate use of cathartics is probably one of the most frequent causes of constipation.

For many years there has been pressing need for some simple food that would help restore normal conditions. And now scientists have discovered it in the familiar little cake of Fleischmann's Yeast.

First came the startling discovery that Fleischmann's Yeast in itself is a wonderful food, rich in the mysterious water-soluble vitamin. Then it was found that Fleischmann's Yeast builds up the body tissues, keeps the body resistant to disease.

In addition, because of its freshness (you get it fresh daily) Fleischmann's Yeast helps the intestines in their elimination of waste matter. Fleischmann's Yeast was tested for this purpose in leading medical institutions. Chronic cases of constipation, some even of years' duration, responded.

Fleischmann's Yeast is by its very nature better suited to the stomach and intestines than the ordinary laxatives, and being a food it cannot form a habit.

Eat 2 to 3 cakes of Fleischmann's Yeast a day. Have it on the table at home and on your desk at the office. Eat it plain, spread on bread, or dissolved in milk or fruit juices. You will like its fresh, distinctive flavor and the clean wholesome taste it leaves in your mouth. It is assimilated just like any other food. Only one precaution: If troubled with gas, dissolve yeast first in boiling water. This does not affect the efficacy of the yeast. Place a standing order with your grocer for Fleischmann's Yeast and get it fresh daily.

Send 5 cents in stamps for the interesting booklet, "The New Importance of Yeast in Diet." Address THE FLEISCHMANN COMPANY, 341-345 Mission Street, San Francisco, Calif.

The need for scientifically tested yeast

Fresh yeast has been proved by recent scientific tests to be a valuable food for correcting run-down condition, constipation, indigestion and certain skin disorders. These original tests were all made with Fleischmann's Yeast. Beware of untested yeast-vitamin preparations that contain drugs or other mixtures. Fleischmann's Yeast (fresh) is a pure food, rich in vitamins, in which it measures up to the high standards set by laboratories and hospitals. The familiar tin-foil package with the yellow label is the only form in which Fleischmann's Yeast for Health is sold.

as rapidly as public opinion has warranted.

ACQUIRE LAND ONLY FOR PARK

Golf Course Temporary Says Hart

That some misunderstanding has arisen in the public mind as to the purposes for which it is proposed to buy the 64 acre addition to flooding park, was the statement yesterday of Mayor Truman G. Hart. The matter of a golf course, the mayor pointed out, is only incidental; the real purpose for which the property will be used is for park purposes.

"For a few years the land can be used as a golf course," said the mayor, "but it is being bought strictly as an addition to flooding park, and will be developed as an extension of the park proper and not as a golf course. In the interim it can be used for golf purposes; but eventually it will become a part of the park proper and will be developed with trees and grass and flowers, as the other portions of the park.

"Anyone visiting the park last Sunday, it must be apparent that there is an extension of the park needed. While we may not need it just now, the land is going to be put into small buildings, and if we do not get it now we will never be able to secure the property. This land is not being purchased at all as a golf course."

FIG GROWERS GET PAYMENT

\$110,000 Is Sent Out by Association

Checks aggregating \$110,000 are being received today by fig growers members of the California Peach and Fig Growers Association, a final settlement for the 1930 crop of figs. This represents an average price to the growers of five and one-eighth cents for Adriatic and seven and one-eighth cents for California.

Fig growers have every right to be pleased with their payment, on the 1930 crop in consideration of conditions under which they were handicapped, it is understood. Commenting on the final settlement yesterday, J. E. Niswander, vice president and general manager of the association said:

"The figs accounted for in the final settlement were not received by the association until the last of February, fully 40 days after the principal demand for figs had been made. The quality was poor, as might be expected on carry over figs. So, in view of the fact that the season was extended, and considering the quality of the figs, we are more than pleased with the final showing which we were able to make for the growers."

Legion Men Desire Relic Collection

Relics of the world war are wanted at the Fresno post of the American Legion, according to an announcement yesterday by Manager A. M. Taylor and M. G. Bradley. The legion men desire to secure a collection for display purposes, according to Bradley, and relics will be returned to the owners.

Those who are willing to loan articles for the display are asked to communicate with Taylor, telephone 3185.

Missionary Worker Will Speak Friday

Mrs. Paul Raymond of San Francisco, field secretary for the immediate missionary board will give a address Friday afternoon at the Fowler Memorial Baptist church. All the women of Fresno are invited to hear her.

Proceeding the afternoon meeting, Mrs. Raymond will be the guest of honor at an executive board luncheon which will be held at 12 o'clock, only officers attending.

The afternoon program will be as follows: 2:30 o'clock, Devotional led by Mrs. D. W. Montgomery; address, Mrs. Paul Raymond; musical selections; freewill offering.

Lutheran Pastoral Conference Closed

Sessions of the pastoral conference, which was continued here for the last three days at the Vermont street Lutheran church were concluded yesterday afternoon. Discussion on Rev. 2, 17-28 was completed which emphasized the necessity of standing "four square on the Bible and the certainty of ultimate victory and reward."

Finances of the district revealing a debt of \$1,000 were discussed.

Open House to Be Held by Laundry

Participating in "Visit Your Laundry Week," a week set aside for the entertainment of laundry patrons by the National Association of Launderies, the Fresno Steam Laundry is having the public to the plant to see how it is run and to demonstrate the methods used in a modern laundry.

Visitors will be instructed conducted through the plant by guides, who will give a brief history of the process used in the cleaning of soiled clothing.

Caruthers to Form Square Deal Club

Local growers of the Caruthers district will meet Monday night for the purpose of organizing a Square Deal club. This is the form of organization recently inaugurated among growers to protect the association against violation of labor contracts.

Max E. Rocha, manager of the alfalfa association, will address the meeting.

Select Committee to Canvass Votes

B. E. Knapp, W. W. Grimes and J. W. Wilkins have been named as a committee to canvass the vote for officers prior to annual farm meeting to be held at flooding park on next Thursday. The committee will report the results of the canvass at the annual meeting and picnic.

Lowell W. Fuller Student at Oregon

Lowell W. Fuller, son of Mrs. W. M. Fuller, 699 Fortcamp street, Fresno, is registered in the Oregon Agricultural college at Corvallis, Ore., as a senior student with animal husbandry as a major course of study. He is a member of the Agricultural club, withyumba club, and Sigma Alpha Epsilon fraternity.

Approximately 27 per cent of the agricultural seniors are taking the same major that Mr. Fuller is taking. The animal husbandry major is designed to fit the student for the actual raising of livestock on the farm in the most economical and business-like manner. The regular class work is supplemented from time to time by trips to the leading stock farms in the Willamette valley and various fairs with the idea of giving the student an opportunity to study livestock conditions and also to permit the student to become acquainted with the leading pure bred breeders and the type of stock they are handling.

It is the intention of Mr. Fuller to engage in extension work for a time before taking up actual farming.

Today—A Surprise 2nd Floor Offering DURABLE, STYLISH COATS

At **\$24.75**

Not very long ago it would have seemed incredible to even suggest any coat that was wantable and likeable and serviceable at such a price as this. Not so now—at Radin & Kamp's. We guarantee these to be most excellent values—coats that will give satisfactory service as well as being stylish and "snappy."

Warm, durable coats for fall wear are these fashioned of all wool Velour, Marvella, Silver-tone and Broadcloth.

Large shawl collars, loose back or belted with adjustable belt that can be worn inside at back or all around.

Tailored with exceptionally wide skirt, cut to fit the full figure; well lined with durable fancy linings.

From Size 16 to the Outsize

Jersey Sport Coats, \$4.98

Red, green, navy, brown and black. Made with two pockets, roomy belts, tuxedo front, and button trimmed.

If you'll examine these Coats, you'll find they'll easily rank with the \$7.98 to \$10.00 grades.

Slip-on Dresses \$5.98 to \$12.50

Tricotine, Velvet, Jersey and Wool Velours, in fancy embroidered designs. Also white pearl buttons and patented leather belts.

Just the thing for High School Miss, Sizes 14 to 42.

What We Term Conservative Men's Suits

Are those that combine the style usually demanded by smart, everyday, active men for all round purposes.

The "real thing" for office use. Absolutely correct for "best wear" and "dressy" enough for any occasion.

SOLDIERS WILL BE GIVEN AID

Welfare Board to Loan Money For Homes

Capt. F. A. Nichols of Los Angeles, who recently resigned the presidency of the Los Angeles banks to become chairman of the Soldiers' Welfare Board, visited San Joaquin this week on a tour of inspection of land to be used for soldier settlement purposes. Capt. Nichols is only one member of the board, which has the matter of giving financial aid to soldiers who desire to acquire homes, either in towns or upon ranches. The plan is to loan either the sum of \$5,000 upon a town home or \$7,500 for the equipment of a ranch, and the former soldiers have forty years in which to pay it back at 5 per cent interest. Mr. Nichols stated that the board would be able to finance about 600 men to begin with, but that by 1923 it is expected at least 2,000 will be taken care of in this manner. It will be necessary for service men who avail themselves of this privilege to have \$250 to pay down a loan of \$5,000, and \$500 on a loan of \$7,500. No selection of land has been made as yet, but the board will take the matter up at once and make selections in the near future. Capt. Nichols went to Sacramento from here, where he will confer with other members of the board. It is said there are funds now available to take care of soldiers to the amount of \$300,000 and an additional \$200,000 will be available later. By 1923 a much larger sum will be available.

Radio Club Holds Meeting Tonight

The Central California Radio association will hold its monthly business meeting tonight at 8 o'clock at the home of Walter Lauritzen on Blackstone avenue and Morand streets. All members are urged to attend, as several items of great importance to the club are to be discussed.

Armenian Students Will Meet Tonight

Fresno branch of the Armenian Students association will meet this evening at 8 o'clock at the Armenian Apostolic church, corner M and Ventura streets. The program committee has arranged an interesting program, and the meeting will be one of the various committees. It is requested that all members be present as important business is to be transacted. The Fowler branch will hold their first meeting tonight in Fowler, and students in that district are asked to attend.

RELEASE MERCHANT.
A. J. Pines, defendant in a merchant's charge with selling liquor, was released upon \$500 bail yesterday after United States Commissioner Streeter, P. Walton had bound him out to the November term of the federal court. Insufficient evidence caused similar charges against Eli MacDonald and J. V. Miller, Hanford men to be dismissed.

FILE SUIT.
Suit for \$2,000 damages was filed yesterday in the superior court against the California Pottery company and the Humber Electric company by the attorney of David Ash through his attorney, F. C. Huebner. The complaint alleges that Ash purchased a water pump from the defendants believing that it was new. He alleges that the pump was not new, and that his crops were damaged.

SET TAX RECORD.
Tax collector Ray W. Baker announced yesterday that tax collections for the first three days have amounted to \$132,485.03, setting a new record. The largest taxpayer to date was the Union Oil company, which paid its first two installments of \$5,511.43, and Ben Epstein, who paid \$1,474.08. These were paid yesterday.

CLIFFORD DEFENDANT.
C. H. Clifford, constable of the second township, Fresno county, is defendant in an action brought yesterday in the superior court by Dr. E. Wood, who is seeking the return of two tons of raisins valued at \$400. According to the complaint, Clifford confiscated the raisins by virtue of a writ of execution. This writ, it was stated, was not directed against Wood.

Society

Following out the custom of former years, the Fresno Musical club will open the season's activities with a reception and tea today at Hotel Fresno, beginning at 3:15 o'clock, to which not only members of the club but all those interested are invited. A splendid program has been prepared, among those taking part being Miss Lorena James, who not only sings a couple of duets with Mrs. Al Pollack but also gives a group of her own songs, playing her own accompaniment. Mrs. Alfred Dodge will give a couple of violin numbers and Dwight Malsbery will give piano numbers. The guests will be welcomed by the president, Miss Bell F. Ritchie and assisted by Mrs. Arthur Anderson, J. R. Fitch, Harry Coffey, Romayne Hunkins, Montgomery Thomas, Wallace McAfee. Among those on the hospitality committee are Mrs. E. J. Towner, Mrs. R. C. Kallalick, Mrs. Al Pollack, Mrs. D. A. Reed, Mrs. C. L. Hammer, Miss Roxie Risset.

Mrs. J. D. Morgan, Jr. entertained a number of the social set yesterday afternoon at her home on Kerkhof avenue, complimenting Miss Sue Holmes who has come out from Tennessee to make her home for the winter with her brother, J. L. Holmes and family. Bridge games were enjoyed, and at their conclusion, Mrs. Arch Jack held high score and was awarded a prize, while Miss Helen Rogers received the cut prize. Miss Holmes also received a special prize. Among those who occupied the hospitality of Mrs. Morgan were Misses Ilma Perrin, Helen Rogers, Anne Tupper, Gussie Collier, Dorothy Noble, Pearl Brooks and Mesdames Edward Leamon, Mr. F. M. Kennedy, J. T. Tupper, Norman Glen, Kenneth J. Stanford, George P. Beveridge, Everett B. Wilcox, Gerald F. Thomas, Emil Gundelfinger, A. R. Ruchbaugh, H. B. Wing, James E. Johnson, Arch Jack, Neil Jorgensen, Ralph W. Watson, Eugene Thompson, Theodore Sheld, Hubert Leonard, Arthur Graff, Cuyler Leonard, William Helm, James Bay of California, J. Collins, Ben B. Walker, Grover Whit, J. P. Collins and J. W. McAllister.

Mrs. R. B. Wilson was the hostess at a lovely card party yesterday afternoon at her home on 54th avenue. Bridge games were enjoyed in which Mrs. George Osborn was the forty-two winner of the prize for high score. The serving of dainty refreshments concluded the afternoon. Among those who were guests of Mrs. Wilson were Mesdames Clinton Collins, Andrew Sturtevant, Wolcott Stanton, Mount K. Wild, George A. Osborn, Mrs. Newton Johnson, A. E. Anderson, Miss Anna H. Wing, and Mrs. Wilson will entertain again next Tuesday afternoon.

Wandetta Fuller Biers, soprano of Fresno, has been placed upon the University Extension program of the University of California for the year 1921-1922. Because of other engagements at the time, Mrs. Biers is making a several months' sojourn in Berkeley and other Bay cities.

The Thursday card club was entertained yesterday afternoon by Mrs. Carsten Henningsen at her home in the country. Bridge games were enjoyed, Miss Dorcas Yalla winning the prize for high score. Those who motored out to play with the regular members of the club were Mrs. Mark Hall, Mrs. Herbert Dunn of Oxford, Mrs. Robert Campbell Clark, Mrs. J. H. Carling, Mrs. James Putnam, Mrs. Henry Walrand. Dainty refreshments were served on card trays before adjournment.

Mrs. H. B. Wilkinson has gone to Tulare to spend the week end as the guest of her niece, Mrs. C. L. Russell. Mrs. Wilkinson will attend the Ladies' quarterly meeting of the Baptist church which convenes in Tulare today.

The Swastika Birthday club was entertained yesterday afternoon by Mrs. Fannie Snyder at her home on Fortcham avenue, celebrating the birthdays of Mrs. Dickinson and Mrs. McFarland. Bridge games were enjoyed, Mrs. Roberts and Mrs. Newman being fortunate in winning the prizes. Laid in the afternoon refreshments were served at a table made dainty with a center piece of cosmos.

Go Duck Hunting
—Plan your hunt while the season is young and you will get better results
If you are planning on going duck hunting you should do it in the near future and you will find ducks more plentiful and general conditions better. Scores of hunters have been going every chance they get and report that they obtain favorable results. Plan your trip for next Sunday and go out after the limit.

Local Church Worker Named Lay Delegate
S. A. Ledbetter, superintendent of St. Paul's church Sunday school was recently elected lay delegate at the Pacific conference of Methodist Episcopal churches. He will be a delegate to attend the lawmaking body which is to hold its session at Hot Springs in May. Ledbetter has been actively associated in church work for many years and for some time has been superintendent of the large Sunday school of St. Paul's church here.

Found Not Guilty of Robbing Meter
MODESTO, Oct. 20.—It did not take long for the case of R. C. Edmunds charged with robbing a gas meter to be disposed of in Justice W. H. Rice's court yesterday. From the time a jury was selected until a verdict of not guilty was rendered it was just one hour and 20 minutes. Edmunds was charged with having taken 50 cents from the gas meter in the Hinkley apartments in July.

ASK DAMAGES
The Central California Ice company was made defendant in a suit brought yesterday in the superior court by J. E. Eggett, who is asking \$470.26 because of damage alleged to have been done to his automobile when it was struck by an automobile belonging to the defendant. Of this sum, \$197.50 is asked as damage to the car, \$100 damages for the loss of use of the car, and \$150 as the result of the collision. The complaint was filed by Collins & Collins.

APPOINT DEPUTY
W. W. Davis, superintendent of the county detention home, was yesterday appointed a deputy sheriff without pay by Sheriff W. F. Jones.

TO SING TONIGHT
STRAITMORE, Oct. 20.—Ellen Beach Yaw, prima donna, will sing at the Straitmore high school auditorium tomorrow evening in a mixed concert of opera selections, ballads, and old time favorites, including her famous "Black Song." Miss Yaw will be assisted by Georgiella Lay, pianist.

Club News

OF THE SAN JOAQUIN VALLEY DISTRICT

Dr. Alice Luce of Mills college yesterday afternoon lectured to the Parlor Lecture club members on the art and literature of Russia, a good representation of club members being present. Dr. Luce has a charming personality with clear enunciation and a voice pleasing to her listeners. She has taken several trips to Russia and is thoroughly conversant with the ideals and aspirations of the Russian people.

Dr. Luce gave as one reason for the revolution, the right people's censorship which kept the people in ignorance of the affairs of the world. Frequently whole paragraphs were blotted out from news items. Characteristic views of both country and city life were pictured. The downfall of the Czar was traced through the revolution down to the present soviet government. Lenin, the dictator, was spoken of and how he has won power for millions of people. Comprehensive descriptions of the opera and ballet in St. Petersburg were given, and the splendid dramatic work, especially of the Shakespearian plays, as produced in Moscow.

The study section of the literary department of the Parlor Lecture club will meet this afternoon at 2:30 o'clock to study Balkanized Europe under the leadership of Miss Frances Dean. Non members of the club will be admitted upon the payment of a small fee.

The executive board of the San Joaquin valley federation of women's clubs will meet in Modesto, October 28.

Order
CHOWCHILLA COLONIES, Oct. 20.—The Baptist people of Chowchilla and vicinity are building a new church on Robertson boulevard. The building will be of mission style, of stucco construction and is finished with Oregon pine with ladies' parlor, Sunday school room, and main auditorium with a seating capacity of 350. It will cost about \$3,000 when completed. An organization of about 70 Baptists were formed several months ago through the efforts of Rev. and Mrs. E. R. Horniston. The chapel car evangelists, who are taking an active part in the work.

Tight Breeches

A. D. 1946

"There was also much in the extended throughout the whole of France. Some had their clothes as short and as tight as it required the help of new persons to dress and address them; and when they were being dressed they appeared as if they were being skinned."

THE BURTON.
A popular Cortley model, two-button, plain flap pockets.

The force behind fashion

WHETHER fashion decreed that breeches be so tight that they must be pulled off by two men, or so large that they prevented their wearer from sitting in an ordinary chair, the force responsible for the style has been the same. This force is the powerful influence wielded throughout history by the spirit and character of the age. Cortley Clothes are redesigned and tailored in New York. Their distinction in style is a product of the spirit of the greatest and most critical of American cities.

MANY BUNDLES ARE NEEDED AT SALVAGE SHOP

Only a Few Days Left For Collections To Be Made

Articles of All Kinds Can Be Used By Red Cross

There are only a few days left in which Fresnoans may make the Red Cross special collection week a grand success, and each and every one is urged to send all they can to the shop for sale there or for distribution to needy families.

With money received from the sale of articles, the Red Cross is able to aid sick people, outfit families when necessary, and do innumerable things worth while.

Service men at Palo Alto are receiving clothing and other articles from the local shop and recently several musical instruments given to the shop were sent north to the boys.

"In looking over clothing or articles, don't say, 'This is too old to send to the shop,' but remember that someone will find valuable use for it. Quilts are made from scraps, and a cubbler is established in the basement of the shop repairing shoes that are sent in," says Mrs. Curoy of the shop.

S. S. Hockett of Hockett, Bristol and Cowan Music company, yesterday donated an organ.

There has been a generous response to the call according to the officials of the campaign, but there is a place for everything that is donated. Every day there are inquiries for things that are not on the shelves.

The school children have been actively engaged in collection during the week and in securing names of people who have bundles. Their signatures on a card mean admission to the Liberty and Kinema on Saturday morning. "Roberta of Sunnybrook Farm" is the feature at the Liberty and "Treasure Island" at the Kinema.

BOARD TO HOLD MORE MEETINGS

Two Sessions Weekly For Chamber Men

Due to unusual pressure of business during the past few weeks, the chamber of commerce directors have decided to meet twice each week. Regular meetings will be held for the present on Wednesday and Friday at noon.

At today's session, the directors will consider the state report on the report, agreed upon at a meeting held in Sacramento recently between representatives of the United States and Sacramento valleys. Whether the local chamber will accept the report will be decided, according to Manager H. E. Patterson.

The question of the municipal golf course will also be brought to the attention of the directors. Letters have been received by Manager Patterson urging its defeat, on the belief that it is absolutely unnecessary at the present time when there is so much need of new schools, parks, and lower taxes. In one letter that was received, it is pointed out that less than one per cent of the people of Fresno have a golf course.

A report on the activity of those working on the Huntington Lake Summer school of the State College of Fresno will be given. The proposition is now being made to submit to Congress for their action.

Plans are to be perfected for the meeting of directors and secretaries of Fresno county chamber of commerce which will be held next Wednesday to consider advertising activities to be indulged in by the county organizations. Recently it was agreed that the county bodies rather than each in an advisory capacity to criticize or suggest methods for the exploitation of the district.

Commission To Take Weimer Depositions

A commission to take depositions in the case of Edgar Weimer, charged with the murder of his wife, will be issued October 21 by Judge J. E. Beaumont. A continuance was granted on the grounds that the district attorney has not prepared his cross interrogatories. The depositions will be taken from officials of institutions in Arizona and Indiana. H. R. Gavey is representing the defendant and Assistant District Attorney H. J. Corling, the state.

EXCLUDE SHOES AS EXHIBIT IN MURDER TRIAL

Defense Blocks Move of Prosecution In Ah Wah Case

Witness Says Pair Are Those Worn By Wong Gim

Shoes worn by Wong Gim when he was alleged to have murdered Ah Wah near Fowler on July 11 were not admitted as evidence in the trial before Judge C. B. Beaumont yesterday on the grounds that it was in direct violation of the constitution of the United States, the fourth amendment, and of the constitution of the state of California. The contention was that a defendant in a criminal action could not be made to testify against himself.

Traffic Officer Bide was on the witness stand. He testified that he, in company with other officers, entered the rooms at the Sanitarium in Fowler where the two defendants, Gim and Sing Hing, were confined after they had collided with a telephone pole at Armstrong and Lincoln avenues on the day of the murder. He stated that there they found a pair of shoes belonging to the defendant. District Attorney R. W. Gearhart produced a pair of shoes which he asked Bide to identify, if possible. Defense attorneys there interposed an objection.

They contended that the shoes were removed from the hospital without the consent of the defendant and without a proper search and seizure warrant, which they stated, was a direct violation of the constitution. The jury was excluded from the room and the matter was argued.

Decisions Are Quoted. Carl E. Lindsay for the defense, read passages from the constitution and quoted recent decisions handed down by the supreme court of the United States and from the supreme court of California. These decisions dealt with cases of a similar nature, where property of the defendants was taken and later introduced into evidence at the trial.

District Attorney Gearhart was at first inclined to oppose the objection, but after a study of the decisions, allowed the court to maintain the objection without opposition.

Bide was asked to describe the shoes and the marks on them that could in any way be shown by tracks upon the ground.

Another witness who testified yesterday was Captain J. L. Broad, Fresno police inspector. He stated that he was asked to go to Fowler with Constable Ford to investigate the crime. At adjournment last night he was being subjected to a rigid cross examination.

Two revolvers were found when the automobile in which the defendants were riding collided with a telephone pole. One of these revolvers had six chambers empty, the cylinder jammed and three empty cartridges were found near the car. The other revolver had five cylinders unjammed and one discharged. School Boys Testify.

According to testimony, Wai was shot four times. Three of the bullets passed through his body and one lodged in his arm.

Included among the witnesses were a number of school boys who were attracted to the scene of the

County Held Liable For Strike Damages

Eight notices to the effect that Fresno county will be held responsible for any damage to real or personal property done by mobs or riots have been served on the board of supervisors by Coalinga oil companies.

Three of these notices were served yesterday and four on Wednesday. The notices were served yesterday by The Seneca Oil company, the Confidence Oil company and the Ward Oil company.

It is the opinion of county officials that the county can not be held responsible for this damage as the county is cooperating with Sheriff W. F. Jones to maintain law and order in the strike area.

Club Members Start Fall Whist Parties

The Catholic Women's club will give a whist party this evening at Our Lady of Victory hall, on Florence, at 8 o'clock. Cards will start at 8 o'clock. Miss Frances Keating, formerly of Portland, Oregon, will sing, accompanied at the piano by Miss Angeline Eero. The officers of the club are: President, Mrs. George R. Andrews; vice-president, Mrs. A. E. Chastant and Miss K. M. Curran; secretary, Mrs. J. A. Coelho, and treasurer, Mrs. J. H. Regan.

The following have been named as chairman of the various committees that will function during the year: Reception committee, Mrs. J. M. Howell; visiting, Mrs. W. O. Eimer; program, Mrs. Anna Kennedy; refreshment, Mrs. Claire Alexander; charity, Mrs. W. J. Henly.

The objects of the club are to provide a means of social intercourse among the members of the parish of Our Lady of Victory; to promote and advance literary and educational interest; by organized effort to give aid to the poor and in general to assist the parish of Our Lady of Victory.

CLASS ENTERTAINS. The Philanthropic class of the Powis Memorial church entertained the ladies and their husbands at the home of Mr. and Mrs. Carr recently with Mrs. Carr and Mrs. Nichols as hostesses. Games of various kinds were enjoyed and later refreshments were served.

accident by morbid curiosity. They identified the defendant as one of the occupants. A great number of the witnesses who testified reside near the automobile accident. They all were attracted to the scene by the crash.

Captain Broad will resume the stand at 9:30 this morning when court reconvenes. It is probable that the state will conclude its case by Saturday morning and then the defense will undertake to disprove prosecution evidence. The trial will hardly terminate before Tuesday of next week.

WANT RESEARCH WORK PUBLICITY

Speaker Says Press Is
Medium of Education

CHICAGO, Oct. 20.—More publicity of research work is strongly advocated by U. S. Thomas of Chicago, formerly of the United States Forest Laboratory, before the standardization conference of the American Mining Congress here today.

"Research and standardization are apparently at opposite poles," he said, "but they are not. The one leads to the other. And yet there must be some common ground. For standardization without research leads to stagnation and research alone would lead to greatly reduced production of many products which are universally needed at low cost."

In the machinery of modern business the press, and particularly the scientific press, is a most useful medium of education and the exchange of ideas. For while the press may lead to retard standardization by continually noting new developments, it also prevents mistakes that might prove disastrous in a new business.

"I believe that engineers as a whole have not realized the importance of public information. Manufacturers, on the other hand, appreciate the friendship of the public."

"I believe that industries should organize bureaus for public information about research and standardization. Editors are only too anxious to receive information as to new developments in an industry and improvements in old methods which lead to standardization. Technical editors as a class are men of judgment and honor and they would not knowingly publish anything that would react to the discredit to any engineering with constructive ideas. Any organization that is seeking to advance the industry and to better economic conditions in the country, you can trust the editors of the technical press to a much greater extent than they have been trusted in the past."

"Summing it up, it is believed the mining industry can profit by the use of the press in popularizing research and standardization information. Standardization makes for lower production cost, and with low cost comes greater use, for it is a law of economics that when the costs between substitutes are equal, the more popular with intimate knowledge on the part of the public will come the hearty support of the public. Public support is a valuable asset and an economic force that cannot be neglected with impunity."

Aiding Farmers By Testing Seeds

MISS H. FERN PECK.

Miss H. Fern Peck, state analyst for Nebraska, working with the department of agriculture, has held this position for years. Previously, for two years, she was assistant seed analyst for the state of Minnesota and instructor in the University of Minnesota. Miss Peck has charge of testing and analyzing of seeds to determine the percentage of pure seed, germinative or live seed, insect matter, other crop seeds and weed seed. Also the climate conditions for seeds and which can be recommended for use in various parts of the country. Also to find plant diseases.

WOMEN TO STATE PUBLIC OPINION

Form Own Viewpoint,
Urges Speaker

GRAND RAPIDS, Mich., Oct. 20.—An appeal to American women to form and express public opinion upon pertinent questions was voiced here tonight by Mrs. Percy V. Pennybacker, of Austin, Texas, before the annual convention of the Michigan Federation of Women's Clubs. Mrs. Pennybacker is a past president of the general federation of women's clubs, a national organization.

"There can be no true national prosperity in a republic without an intelligent public opinion and there can be no such opinion without individual effort," Mrs. Pennybacker said.

"Too many persons are prone to take their opinions ready-made from others. These persons form their opinions from newspaper headlines or from friends or relatives in whom they have confidence. No woman has the right to give as her opinion the opinion of another, not even of her husband."

Her country demands her own opinion, not that of another. "Three steps are necessary for building of a real opinion. These are reading, talking with others, and thinking."

"Facts are needed as the foundation stones on which to form an opinion and thoughtful, dispassionate reading is vital. All sides of a question must be considered before the opinion is built. If we are to form an opinion that we may defend we must sit in judgment and let the arguments pass before us."

"It is necessary to talk with many persons of all minds and all walks of life. We may read and talk eternally, but without thought our duty is not done. We must make our own opinions pass in review and challenge each before the bar of reason and conscience. Duty demands that we speak out when proper occasion offers or permits."

"Women have a great responsibility with regard to the topics of conversation in the family circle. Nothing can be made more intellectual than table talk. Every skilled teacher easily selects the children who come from homes where intelligent conversation is the rule. These boys and girls have a fund of general information, an outlook upon life, and a breadth of vision that is invaluable."

The speaker declared one of the advantages of women suffrage was the educational effect upon conversation between men and women. She also stressed the importance of expressing opinions in a dignified manner, without venom. Much of the lack of reverence for law and authority on the part of the youth of the country, she said, can be traced to utterances of parents in the home.

Mrs. Pennybacker declared two duties confronted American women—to teach Americans that immigrants bear gifts if we are but wise enough to see them, and "that it is not best that the immigrant should live within himself."

Referring to the latter duty the speaker declared the policy of permitting aliens to live in colonies, away from Americanizing influences, was wrong.

Battleship Added To Japanese Navy

TOKYO, Oct. 20.—The superdreadnought Mutsu sister ship of the Nagato and the second capital ship to be completed under the eight ship program, will be placed in commission by the Japanese navy on December 1 and will then be one of the capital ships of the first squadron, together with the Nagato and the Yamashiro. The Mutsu has a displacement of 35,400 tons.

The third capital ship under the eight ship program, the Kaga, is expected to be launched at the Kawasaki dockyard in Kobe in December, this year, and to be completed in November, 1922. The work on the Kaga has been slow for some weeks owing to the recent shipyard strikes in Kobe. This superdreadnought will have a displacement of 40,000 tons.

All of the new Japanese ships are equipped with 16-inch guns. The Mutsu and Nagato carry eight of these monster guns apiece, and it is possible that the Kaga will carry twelve.

COMPANY HAS 1919 PRICES

Concern Recovers From
Slump

CHICAGO, Oct. 20.—After telling how the washing machine industry of this country took terrific losses last year and by doing so was one of the first to recover from the business slump, E. B. Seltz, of Chicago, secretary of the American Washing Machine Manufacturers' association, today declared before the National Association of Corrugated and Fiber Manufacturers in session here that the industry was now doing a 1919 business and was more than satisfied.

Mr. Seltz stated, "Beginning twelve months ago, the business of our industry slumped along with the rest of the country's business. While we were the last of the industries to feel the depression, we are among the first to recover. The explanation is quite simple. Nineteen twenty was an abnormal year, and a comparison with the figures of that year's business would be discouraging, but we are now doing a nineteen nineteen business and during that year we were more than satisfied—why not be now?"

"Our methods of restoring business have been threefold. First, our companies took their losses—terrible losses—in most cases the depreciation being greater than the total appreciation of the war times—which enabled them to quote rockbottom dollar values."

"Second, dealers have been educated to the necessity of heroic efforts for a buyer's market as contrasted to the velvet of a seller's market."

"Third, the public has been taken into confidence and has been frankly told through the medium of local newspaper advertising—of the losses taken and the story of an industry that returned to a prewar basis and was starting all over again."

"A consumer's boycott is a serious thing, especially when it lasts a year, but as far as our industry is concerned, it is at an end. No one factor has contributed more to its demise than the newspaper advertising that carried the story of our wiping out the profits gained by the rising market of the war period."

Five Days' Free Trial of any Columbia Grafonola with any 12 Columbia Records

We know that the Columbia Grafonola at today's prices is the biggest musical value ever known.

So we make this offer:

We'll put in your home for five days' free trial any standard model Columbia Grafonola with any 12 Columbia Records.

Twelve records will give you twenty-four different selections and you can make a real test of the joy and happiness Columbia music brings to your home.

Then, if you are satisfied, you can pay for the Grafonola and records on very easy monthly terms.

No charge will be made for the five days' trial.

If you are not satisfied, we will take back the Grafonola and records without any charge to you or any obligation on your part.

Could any offer be fairer? You need not pay one cent until you satisfy yourself beyond all doubt by a five days' trial that the Columbia Grafonola is the phonograph you want.

We know that the Columbia Grafonola with its handsome design and glorious richness of tone can be depended upon to speak for itself in your home.

Compare the modern Grafonola at today's prices with any other phonograph—we'll leave the rest to you.

It is literally true that you can get today an up-to-date Columbia Grafonola with its many modern improvements for less money than you would pay for an old-fashioned unimproved phonograph.

When you pay your good money for a phonograph, get a modern instrument—the Columbia Grafonola.

This offer, limited to present supply, is good on any Grafonola priced

SCOUT WORK IS PRESENTED TO KIWANIS CLUB

Charles N. Miller Is Speaker Before Clubmen
Organization's Program For Boys Given In Address

Boys between the age of 12 and 16 seek the companionship of other boys and join gangs. They are full of surplus energy which comes out either in a negative way to their detriment or in a positive way that is constructive," declared Charles N. Miller of Los Angeles, the regional executive of the Boy Scouts of America, who was the guest of the Kiwanis club yesterday at the weekly luncheon held at the Hughes hotel.

"If we can have the gang follow good traits, have them do constructive work and think along morally straight lines, we will be doing something fine. That is what the Boy Scout movement is to organize the boys into gangs or troops as they are more properly called.

The success of the gang in following a positive course comes from the example of the leader. The boys in the age between 12 and 16 absorb ideas and seek to imitate their elders. On every street corner, you see the roughneck who will demonstrate the boy or gang if given the chance. If the clubs and people of each town will get behind the Boy Scout movement, we will be able to show the boys that the best thing to do is to follow the good example of the Boy Scout movement.

In Los Angeles I recently attended a meeting of the Kiwanis club and heard a judge speak on juvenile crime. He stated that it cost the city \$30 to bring every juvenile offender into court and that it cost \$400 to send him to the reform school. He further declared that out of 750 Boy Scouts in the city there had never been one member of the organization brought into court. Now if it seems better to spend \$12 a year to keep a Boy Scout rather than to spend \$350 and more to handle an intractable.

The speaker, then told of the basic principle which each scout member is taught—service. He stated that out of service, true citizenship follows. In the organization, he said, all are treated alike.

In speaking upon boys following the standards set by elders, Miller said that boys under eight followed their mothers and that between eight and twelve they were between the hands of their fathers. If the training as scouts, which they received between 12 and 16 years of age, profits them, they will become model youths in preparation for good citizens between the ages of 16 and 21, he said.

In the scout program we tell the boys they are citizens and that they must help the city without hope of reward. We help the boys help themselves and not to be the object of charity. The Boy Scout organization is not a charitable organization; it is a character building institution. It is up to you to help the boys because they are young and they are in the place where you can help them.

At the suggestion of the International organization of Kiwanis, the local club instructed Henry H. Brown, club member, to draw up a resolution urging Congress to pass the Sweet Bill which will relieve the ex-servicemen and wounded.

Whereas, the United States Congress has provided means for the care and treatment of disabled veterans of the World war; and

Resolved, that the Kiwanis club needs and has invited the cooperation of the public in order that the benefits of these agencies be made known to the men who have too long been neglected.

Resolved, that every individual member be requested to use every effort to make known to veterans of the World war entitled to compensation, insurance, vocational rehabilitation, or medical, surgical, dental or hospital treatment, that such aid can be obtained by them with a minimum of red tape and delay and that the proper agencies be in touch with the proper agencies and to give them the utmost assistance in so doing.

Guadalupe Speaks
Emil Guadalupe, chairman of the Boy Scout drive in Fresno for a quota of \$5,000, appeared at the meeting and spoke briefly, urging the club to give generously to assist the organization to do its part in the future as it has in the past.

Six officers of Dinuba who were present at the meeting, were introduced to the Kiwanians.

Henry Hopkins, scout executive of Fresno, was chairman of yesterday's meeting. The attendance prize was furnished by Fred Swartz and won by George Peterson.

A message from the Fresno Advertising club was read at the meeting and a motion was deferred until the next meeting of the board of directors. The letter was from Edward Boland, chairman of the 100,000 campaign, and urged a member from Kiwanis to be named to a general committee to boost for this cause.

An attendance of nearly 100 per cent was present and the meeting was one of the liveliest held in many months.

Dr. Raymond P. Hall reported for the golf committee which is arranging a golf tournament to be held with the Rotary and Kiwanis clubs in the near future. Ten expert golfers for contestants were chosen for the team by Hall.

Bank Clearings For Week Show Great Increase

Bank clearings for the week ending yesterday showed an increase of \$2,834,501.41 over the report of the previous week.

The figures follow:
This week \$7,578,235.96
Last week 5,043,734.55
Last year 9,513,372.30

NO CHANGE IN ATTITUDE ON FRUIT PAPER

Lack of Quorum Cancels Meeting of Clearing House

Strike Situation Clears Is Statement of Miles

The clearing house meeting called for yesterday afternoon to consider the railroad strike situation and its effect on fruit shipments was not held.

According to President C. J. Woodward, of the First Branch of the Bank of Italy, and W. O. Miles of the Union National, who were seen last night, the failure to hold a meeting was due to the fact that a quorum was absent and, in addition, because the strike situation seemed to be clearing.

Members of the clearing house declared that there had been no change in the situation with respect to handling fresh fruit paper.

During the day fresh fruit paper was accepted by the Union National, and the Fidelity bank. The Valley bank, said Miles, such paper was accepted "only under guarantee with security behind it."

This, it was stated, is not the regular way in which the banks accept the paper in the clearing house. The banks, he said, did accept a few bills of lading for cars that were actually in transit. It is in paper, he said, was accepted.

The Stewart Fruit company, according to Manager C. E. Campbell, is accepting fresh fruit without interruption.

"We have had no notice of embargo," he said. "The Santa Fe agent, Sam Horton, who has charge of the refrigerator cars, says there is no reason for an embargo. The grapes will spoil if they stay on the vines, while there is a real chance if they are loaded, even if there should be a strike."

Divine Healers To Be Sermon Subject

Dr. H. O. Breeden will speak Sunday evening at the First Christian church at 7:30 on the subject "Apparitions of the Ministry of Mrs. McPherson and Brother John, Divine Healers."

The public is invited.

RED CROSS GIVEN

Sales as made yesterday by the auxiliary of the American Legion were \$29.60.

An organ, in fine condition, was yesterday donated to the Red Cross Shop by the Hockett, Bristol & Co. company, and this, with other articles in the store, will be shown to customers today by members of the First Christian church.

POLICE COURT NOTES

J. P. McDermott was given an alternate sentence of paying a \$25 fine or spending 25 days in jail when arraigned before Police Judge Herbert E. Briggs yesterday.

Speeding charges filed by Traffic Officer S. A. Meek caused C. B. Hanson, John Farin and Earl J. Dodson to be fined \$10 each yesterday.

Assault with a deadly weapon charge against G. Giragoulian was dismissed in police court yesterday. He was recently arrested by Sergeant Clifford Sayre and Officer McKelvie.

Three men arraigned on vagrancy charge yesterday were each given 30 days' confinement, with a commitment withheld by Police Judge Herbert E. Briggs.

Because the preliminary hearing in the arson case against George David and Fred was postponed yesterday, Police Judge Herbert E. Briggs continued the case to 10:30 o'clock this morning.

Grand larceny charges of stealing an automobile against William McNell will be given a preliminary hearing in police court at 2 o'clock this afternoon.

ESTIMATES ON CENTRAL ALARM SYSTEM ASKED

Commission Authorizes Stranahan To Get Figures

Sewer Farm Will Be Inspected Next Wednesday

The commissioner of public works was authorized by the city commission yesterday afternoon to invite estimates and estimates of cost from architects on the construction of the proposed central fire alarm system.

The motion that Commissioner William Stranahan proceed with this work was made by Commissioner Charles Dillon after Stranahan had outlined what had been done by his office in preparing the fire alarm system plans.

Members of the commission agreed to meet next Wednesday afternoon and visit the sewer farm and the property offered by Dr. Herman Jones to the city for sewage disposal.

Commissioner Stranahan brought up the sewage disposal subject. In this connection the board heard a petition from 39 property owners of the Kearney Vineyard district, asking that the city take action to eliminate what was claimed to be excess water from the sewer farm, and generally unsatisfactory conditions.

Stranahan reviewed the offer of Dr. Jones, who owns 11.09 acres four and one half miles south of the sewer farm, to take the city water. He will deed a strip of way 75 feet wide, across his property to the big slough, a distance of nine miles. The city, said the commissioner, would have to build a cement pipe for a distance of six miles at a cost of approximately \$150,000.

Dillon raised objection. The Jones proposal is to pay the city \$100 per year for a period of 15 years, at the end of that time the consideration would be settled by an arbitration committee.

Commissioner Dillon took the position that the city should derive revenue from its sewage, either by a commercial deal with Dr. Jones or by putting it to use on lands leased by the city for agricultural purposes.

"The city has arrived at the point when we cannot delay action on this matter," said Mayor Hart.

Stranahan explained that the disposal as he had proposed it was considered the best solution of the sewage problem by Engineer Perry Brown of his office.

Commissioner DeVore declared that the members of the board should go over both properties, and familiarize themselves with the conditions there so that they would be in a position to understand the engineering problems which might be discussed later.

The commission granted a petition for paving South Van Ness from Hamilton to California. This is the stretch of four blocks of unpaved street that forms the entrance to Van Ness, the southern approach to the city from the state highway. Petition was granted for paving Pine street from Lucerne to Moran.

Authorities Spur Track
The board authorized Earl Fenstermacher on behalf of the Williams estate to proceed with a spur track on Hamilton avenue to serve a warehouse to be built there in the hospital section. DeVore succeeded in having a motion passed instructing the city attorney, H. M. Johnston, to prepare and submit to the commission an ordinance prescribing the method of grading franchises.

Mayor Hart reported to the board that the counter proposal by the city to the Red Cross for the purchase of additional storage, had been submitted to headquarters in San Francisco. The city is asking that the payments be arranged over a greater period of time than was contemplated in the Red Cross offer. They felt, he said, that the city's offer would be satisfactory.

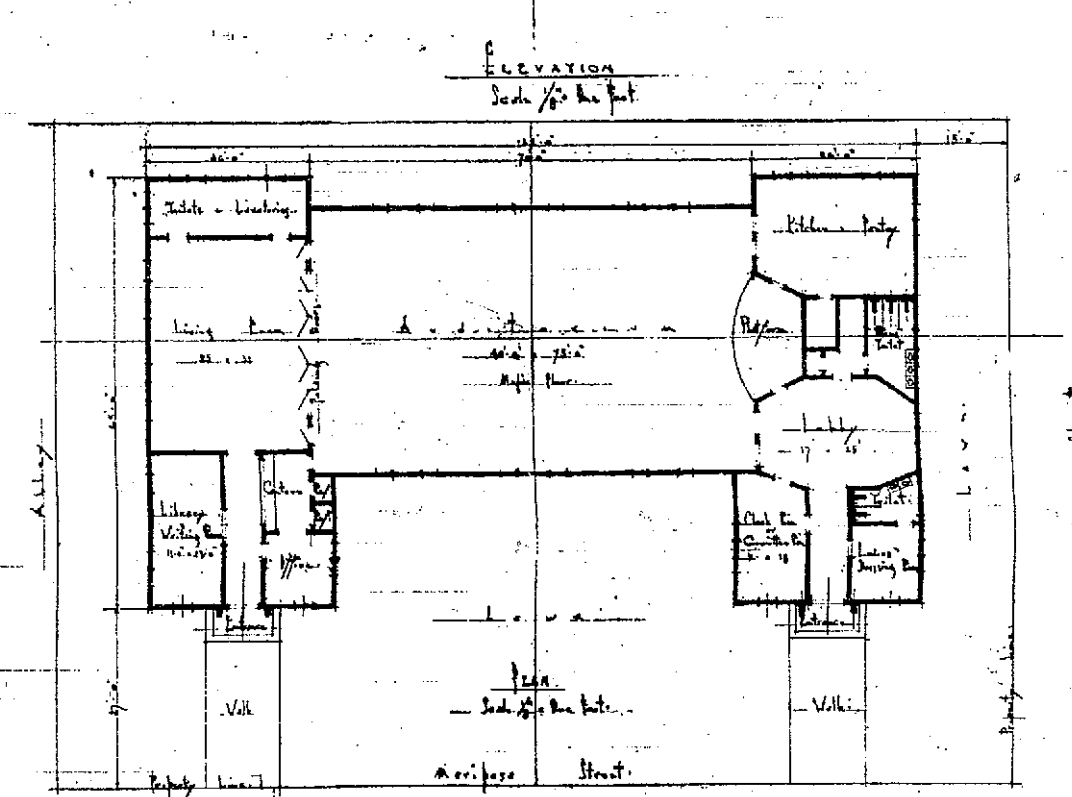

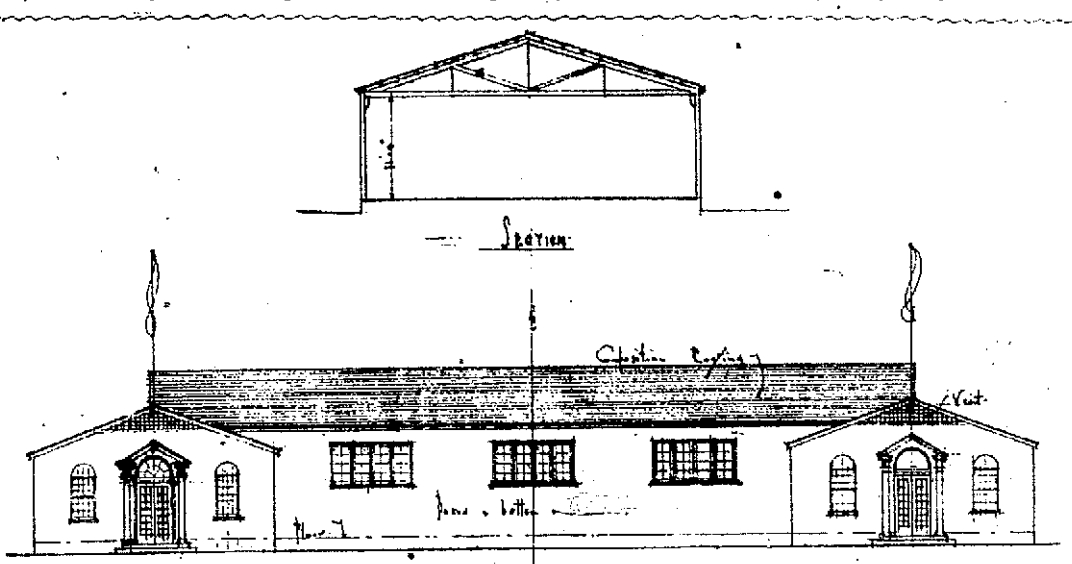

Paving proceedings were ordered on Echo, from Elizabeth to Dudley; San Joaquin, from Broadway to M. Street; and on San Diego, from Adeline and Valencia.

Dr. E. M. Johnston, who was present among the spectators announced that he was in attendance to speak in favor of the purchase of the hospital park, should it have been necessary. The matter, however, went over to the next meeting.

Garry Over Petition
Night watchman Chris Kahn reports that he heard a hull explosion about two o'clock this morning while he was four blocks from the lumber yard. He paid little attention to the report, thinking that one of the engines on the truck was responsible for the noise. Today the robbery was discovered by Edward Price as he opened the office door to begin the day's work.

Sheriff Jones and fingerprint experts came to Kernian and made a close examination of the cracked safe. Traces of nitroglycerine were found on the floor and woodwork near the safe. A small hole near the combination showed where the robbers had drilled through the outer plate for placing the explosive. No trace of the robbers has been found.

The new American Legion home as it will appear at N and Mariposa streets when completed. Plans for the building were adopted and a campaign for \$15,000 started yesterday at noon. Above is a front view of the building which will be 65 by 122 feet. Below is a view of the floor plan.

KERNIAN SAFE BLOWN OPEN

Lumber Firm's Office Is Robbed

Special to The Republican.
KERNAN, Oct. 20.—The safe in the C. S. Pierce Lumber company's office was blown open by robbers early this morning.

According to Manager A. J. Crow, only \$711 was secured by the men. A bank deposit book, containing about \$100 in currency and \$900 in checks was overlooked. The cash stolen was removed from the small drawer in the safe.

Night watchman Chris Kahn reports that he heard a hull explosion about two o'clock this morning while he was four blocks from the lumber yard. He paid little attention to the report, thinking that one of the engines on the truck was responsible for the noise. Today the robbery was discovered by Edward Price as he opened the office door to begin the day's work.

Sheriff Jones and fingerprint experts came to Kernian and made a close examination of the cracked safe. Traces of nitroglycerine were found on the floor and woodwork near the safe. A small hole near the combination showed where the robbers had drilled through the outer plate for placing the explosive. No trace of the robbers has been found.

Preventorium Lacks Gratis Medical Aid

In reply to the request of Mrs. E. L. M. Tate-Thompson, director of the tuberculosis preventorium, that the county furnish medical inspection at the preventorium sponsored by the Parlor League club will be forwarded by the board of supervisors. This communication will be to the effect that the county can make no answer to its policy regarding the institution.

Fresno county has given the preventorium the site for the hospital and will develop and pipe it. It feels that it would not be ethical to bind its successors to any definite future project, members said.

Y.W.C.A. Secretaries Will Be Hostesses

The public is invited to attend the reception on Monday evening at the Blum Triangle court when the secretaries of the Young Women's Christian association will be hostesses at a "Who's Who in Association Work" get together. The only admission fee according to the secretaries is a smile and a warm handshake.

Mrs. Carl Lisenby is in charge of the program for the evening, which will include selections by Mrs. Harry Coffey, Mrs. Frank Connelly, Miss Mary Orr and Mrs. Earl Towner.

PAY FINES FOR LAW VIOLATION

Many Motorists Appear In Court

Six people failing to have automobile tail lights burning, and five people lacking adjustable headlight requirements, are among the motorists fined in Judge George H. Graham's court yesterday.

Failure to have tail lights caused \$10 fines to be paid by J. O. Kernan, of Parker, R. E. Harris of Valencia, L. H. Campbell, 735 Dudley avenue; M. N. Baktalian of Fowler; G. H. Christensen of Downies; H. C. Jensen of Selma.

Having an adjustable spotlight caused \$10 fines to be levied against Chris Iversen, 1820 Kearney boulevard; Ray Summers, 437 O street. For the same offense H. M. Willis, 3025 Huntington avenue was fined \$5. J. Hovanghian of Fresno, Abel Gerling, 421 D street were each fined \$10 for having only one headlight.

Cutting in front of another automobile caused John J. Schaefer, route D resident, and H. R. Russell, 287 Poplar street to be fined \$20 each. Passing a vehicle on the wrong side caused W. R. Roberts of San Francisco to be fined \$10.

M. Abraham, 3123 Lowe avenue, was fined \$5 for having no operator's license. W. M. Champion was fined \$10 for a similar offense.

Divorce Suit Brings In Valuable Estate

Community property valued at \$100,000 is involved in the divorce action of Alvin Catherine Scott filed yesterday in the superior court here on a change of venue from Los Angeles against Robert Scott of Selma.

Scott asks for the division of the property and \$100 a week alimony.

Extremes cruelty is charged in the complaint. It is alleged that Scott left their home in Los Angeles going to San Francisco ostensibly on business and while there resided with another woman.

Mrs. Scott asks the custody of one minor child. She charges that her husband earns \$1800 a month and is able to pay alimony of \$100 a week. She asks for a court order restraining her husband from disposing of the property.

Grant Divorce On Liquor Complaint

Charging that his wife poisoned diamonds valued at \$500 for \$200 in order to secure funds to bail out a male friend arrested on a liquor charge, William G. Jolley was yesterday granted a divorce from Alma G. Jolley by Judge J. E. Wendley.

They were married January 22, 1907 and separated July 12 of this year.

LEGION HOME FUND IS NOW HALF RAISED

Expect Remainder Will Be Secured By Tonight

Will Erect Building To Cost \$15,000 By First of Year

Within three hours after a committee of local business men decided to raise \$15,000 to finance the erection of a home for the American Legion in Fresno, \$7,500 had been raised by pledges of the amount, \$1,500 was raised through actual donations and \$6,000 through subscription. The entire amount is expected to be raised by tonight.

During the past few weeks, the executive committee of the Legion has been in conference with many business men of the city and yesterday plans were submitted and were ratified and unanimous. The report of the proposal was given. Those attending the luncheon, held at the Hughes hotel at noon, themselves pledged \$2000 to the fund.

The plans, drawn by Charles Butler, of Glass and Butler, call for the erection of a one-story building of frame construction of the colonial type. The building itself will cost \$12,500 and will be located on the lots recently purchased by the supervisors at Mariposa and N streets.

As planned, the building will be finished on the outside with rustic siding which will be painted white. A composition roof of the best quality will cover the building and the floor of the main auditorium of the best quality will cover the building and the floor of the main auditorium will be of maple wood. The auditorium will have raised open trusses.

The building itself will be 125 feet long with a frontage on Mariposa street and 55 feet wide with the east side adjacent to N street. The main auditorium will be 40 feet by 25 feet and by opening folding doors into the living room which is 25 feet by 32 feet additional space may be had in case of emergency. The building will have a large platform, erected on the east side in the form of a miniature stage.

U. S. Shanty Construction
The building will be constructed in a "U" shape with two wings, one on the east and one on the west side. Entrance to the building will be through each wing. At the end of the west entrance a library and waiting room 11 by 23 feet in size will be found. Opposite it, on the right side of the entrance will be found the office of the Legion and a entrance.

The building will be used primarily by the Legion and all patriotic organizations for meetings such as the G. A. R., Confederate Veterans, Spanish War Veterans and Red Cross. Other organizations will be allowed to rent the auditorium when not in use by one of the other organizations. The building will be cared for and operated by the Legion.

The financial plan to obtain the money as outlined at the meeting yesterday was to have 50 citizens subscribe sums of \$300 each, which will insure the \$15,000 being obtained. E. S. Waterman, of the Legion executive committee, who has been a prime mover behind the new home proposal, is to go out this morning and attempt to obtain the remainder of the money necessary.

Yesterday the building was approached by a man who refused to assist and it is believed that the money remaining will be obtained by tonight. Legion men said.

It is believed by Butler, who is a member of the Legion executive committee and who will be the architect in charge of the building, that the structure will be ready for occupancy by the first of the year.

THE WEATHER

U. S. Bureau Report

FRESNO, Oct. 20.—Variable fair and much cooler. Wind, light and variable. Saturday: light to moderate breeze, fair. Sunday: light to moderate breeze, fair.

BYSTANDER IS WOUNDED WHEN MAN DROPS GUN

Accident Happens As Officers Arrest Suspect
Bakersfield, Man Held To Face Charge of Assault

Bakersfield, Oct. 20.—While attempting to vacate the National bar, 632 Humboldt street, when a crowd of spectators gathered, a man named O'Beane, was shot through the foot by a man named Murray, who dropped his revolver in the bar room. O'Beane was the last of a large crowd of spectators to leave the bar room when the officers, flushed the heavy revolver subsequent to an alleged attempt made by Murray to kill O'Beane, and he was wounded as he rushed through the open doorway. Bleeding profusely from the wound, which was in the lower, O'Beane was carried to the hospital, where he was reported to be resting easily today. The wounded man is a native of France.

Murray was taken into custody and a complaint against him was filed with a deadly weapon with intent to commit murder.

According to the authorities, Murray had stolen a gun from a room and left his strong box on Q street, for the East Side, threatening to kill his mate, who repented the matter to the police. In the meantime, it is claimed, Murray had attempted to force his way into the bar, freely of which, and on being approached in the bar room is said to have immediately let his hand away to his hip pocket, where there was a revolver. According to the officers, the crowd of spectators gathered, who had been sent with O'Beane to investigate the alleged theft, and pointing it directly at the police, O'Beane's heart, ordered him to halt. Murray, then, drew his gun and fired, hitting O'Beane in the lower, resulting in the wounding of O'Beane.

Murray's room mate had been instrumental in the arrest of the perpetrator of the bar, for violating the national prohibition act earlier in the day. It was stated, Martin furnished \$1,500 bail for his mate today, and he appeared before United States Commissioner E. W. Owen for arraignment. Three counts were lodged against the East Side soft drink man.

TO DEDICATE CHURCH SUNDAY

Terra Bella To Lay Cornerstone Also

Bakersfield, Oct. 20.—Two notable events in local church history will take place next Sunday, Oct. 23, when the new \$20,000, edifice of the Evangelical Lutheran church, and the corner stone of the First Presbyterian (Communitarian) church will be laid.

The Lutheran church will hold services in the morning at 10 o'clock, with English services in the evening. Visiting ministers will include Rev. J. W. Theiss, of Los Angeles; Rev. W. A. Theiss, of Olive; and Rev. George Jacobson, of Stockton. Prof. O. Backhaus will preside at the new pipe organ, and a chorus choir will sing. Rev. Walter Lorens is pastor of the Lutheran church.

Rev. W. O. Wile, D. D., pastor of the First Presbyterian church of Bakersfield, will be the principal speaker at the laying of the corner stone of the Presbyterian church, which service will be held at 2:30 p.m. The choir of the First Congregational church of Porterville will supply the principal part of the musical program.

Rev. B. F. Butts, pastor of the Presbyterian church of Bakersfield, will be dismissed to permit the congregation to join with the Lutherans in the dedicatory service.

CLOVIS LEGION IS ACTIVE
CLOVIS, Oct. 20.—The American Legion met last night in regular session and discussed plans for the new club house and a location for same. A committee of three was appointed to select a site.

The Legion will play indoor base ball this season. A new baseball diamond will be given November 23, and the regular dance will be held Saturday night. The boys will hold turkey shoots Thanksgiving, Christmas and New Years.

Building Is Donated For Tractor School

Sanger, Oct. 20.—E. Neely, who while an old resident of the Sanger community, is now a place, has donated the use of his building for the tractor extension school to be held at Sanger Nov. 23 to Dec. 3. The school, fostered by the state college of agriculture and is to be under the supervision of J. P. Benson, Fresno county farm advisor. The school is for the direct benefit of agriculturists, who desire better understanding of the practical workings of gas engines, tractors and motor trucks on the farm. Only a limited number of students can be handled.

Firebaugh Trustees Reorganize; Accept Bids on New Tower

FIREBAUGH, Oct. 20.—The city trustees of Firebaugh, in a recent regular meeting, accepted the bids of Miller & Lux for the construction of an 80-foot steel tower and a 20,000 gallon tank.

In furtherance of city development the trustees have consolidated as follows: Police and judiciary; Joe Maceni; Max Kristof, water and sewer; A. Landucci, fire department; Nick Fabia, streets; and Mike McDonald, health. Work has begun on the water main system here.

Second School Is Opened at Auberry

AUBERRY, Oct. 20.—After many delays incident to technicalities of the school law, choice of the site, availability of buildings, and a second school has been opened in Auberry. Its establishment was a necessity owing to overcrowded conditions and unsuitable location of the Old Town High School building, which did not meet the requirements of all the patrons of the district.

The branch school was opened Monday in the Auberry Hotel building, which housed the school two years ago. Church meetings are being held in temporary quarters in one of the Otis blocks.

E. Quick, a Big Sandy trustee, states that a union district, with both elementary and high schools is a possibility of the future.

Newman Boy Scouts to Have Bugle Corps

NEWMAN, Oct. 20.—The organization of a drum and bugle corps in the local troop of Boy Scouts, which was started some time ago, was practically completed at a meeting of the committee Monday evening at the chamber of commerce rooms. The scouts had raised enough money to buy eight bugles and through the efforts of Ben Arnold, representing the local post of the American Legion, sufficient money was subscribed by the business men to supply the drums. Practice will begin at an early date.

Railroad Commission to Hear Complaints

LEMOORE, Oct. 20.—The State Railroad commission will give special attention to the residents of the Mussel Slough district regarding their complaint against the power company. It was learned here yesterday.

A representative of the commission will be at the Mussel Slough school house at nine o'clock tomorrow morning to hear the complaints of residents against the San Joaquin Light & Power company.

The meeting will be one of a series which the commission has been holding throughout the state for similar purposes and is planned to give an opportunity to voice any complaints they may have.

SELMA MAKES DRIVE PLANS

Hope To Put Roll Call Over in One Day

SELMA, Oct. 21.—At a meeting at the Women's club house Tuesday evening nearly 100 members of the local Red Cross committee held an active session in preparation for the fifth annual roll call to be held during the week beginning November 7. A definite program was perfected and the organization of their canvassing committee completed, which is as follows: Terry, Walter, Stanley, Mrs. A. Northrup, Canal, E. T. Wall, Mrs. John Lewis, Central, H. O. Gilstrap, Mrs. C. E. Clendenbeard, Franklin, A. G. Fisher, Walnut, Mrs. C. W. Adams, Fruitvale, Ferdinand Peterson. The captains in the Selma school district are C. C. Kauffman, Mrs. D. M. Snyder, Mrs. H. A. Hinnson, Mrs. J. H. Sago, Wallace Ryan, E. F. Elphinstone, A. Searight, C. W. Gannaway, Grace Davis, John Teister, Mrs. Edwin Dudley, Mrs. W. B. Hearn, Mrs. C. B. White, Mrs. E. N. Zeller, Mrs. L. D. Scott, Mrs. H. J. Lohman, Mrs. M. Sides, Maude Scott, Mrs. P. H. Lohman, Mrs. F. B. Wright, R. C. Gibbs, M. Rummelburg, W. C. Freedland, W. T. Forkner, C. E. Peck, J. C. Rordan, D. D. Smith, C. Beck and Rev. Stephen Dominquez.

Whether or not Del Rey and the Prairie district, now a part of the Selma high school district, will be included in the Selma roll call has not been announced. Selma's quota has been set for \$2000, and it is hoped to put the drive through in one day by a concerted effort.

Don't wait another day to know the deliciousness of Kellogg's Corn Flakes

How Kellogg's Corn Flakes appeal to the most fastidious appetites! What a wonder-picture they make—all joyously tumbled and jumbled in a big bowl; sunny-brown, oven-fresh—the gladdest good-to-eat cereal you've ever tasted—or looked upon!

Kellogg's Corn Flakes are a revelation—palate-ticklers that bring the sunshine right into the breakfast room and get the day going all right! Never was such flavor as you'll find in Kellogg's; never was there such all-the-time crispness!

Your happiness will know no bounds when you see the little folks come back for "more Kellogg's, Mother, please!"

And my—how Kellogg's delight the mothers, too—and the daddies and brothers and sisters! Kellogg's win everybody—they're so delicious!

Kellogg's TOASTED CORN FLAKES

Also makers of KELLOGG'S KRAMBLER and KELLOGG'S BRAN, cooked and krambled.

Kingsburg to Get More Electric Power

KINGSBURG, Oct. 21.—The San Joaquin Light and Power company is installing equipment in Kingsburg that will double the electric power in the city. This improvement has been needed for a long period. Mayor Norman has recently announced that there will be a score or more street lights installed to brighten up the city.

AGED RAYMOND PIONEER DIES

Thomas Leonard Owned First Store

RAYMOND, Oct. 20.—In the death of Thomas Leonard of Raymond, this section of the state loses one of its pioneer residents. He was born in Sonora, Tuolumne county, in 1850 and spent all his life in Tuolumne, Mariposa and Madera counties. As a young man he owned the first real store in Raymond and was prominent in business there for many years. In 1880 he became constable of Madera county, which position he held for 35 years. The last years of his life were spent on his ranching near Raymond and Madera.

A year ago Mr. Leonard had a stroke of apoplexy from which he seemed entirely recovered but a second stroke after the death of his brother, Archibald Leonard, the famous Yosemite guide, put him in a precarious state of health. During the past two weeks he seemed very much improved and his death was a shock to every one.

MINE MANAGER DIES IN SHAFT AT RANDSBURG

Is Overcome at 400
Foot Level By
Temperature

D. W. Bisbee Gave the
Wrong Danger Signal
to Companions

BAKERSFIELD, Oct. 20.—D. W. Bisbee, superintendent of the Randsborg Mines company and of the Randsborg Water company, was killed in the 400-foot shaft of the water company well at Randsborg Monday afternoon when he was overcome by the temperature at the bottom of the well and fell from a platform, striking on his head, it became known here today. He was dead when removed from the well. His body was found in the water at the bottom of the shaft a few minutes after he had been lowered in the bucket to make an inspection.

Bisbee went in the water plant well shaft after the afternoon shift with George E. Brey and Arthur MacLaren. He was lowered down the shaft in the bucket to a platform occupied by a pumping station about 15 feet from the bottom. After he had been in the well for a few minutes, he rang the bell nine times, after giving the signal to raise the bucket. It is thought that he meant to sound the danger signal, seven rings.

Brey and MacLaren hoisted the bucket at once. It was empty. They immediately were lowered into the well, and found Bisbee's body at the bottom. They placed him in the bucket and were raised, whereupon it was found that the superintendent was dead.

Bisbee was 40 years old. He was the son of D. W. Bisbee, founder of Bisbee, Arizona. His home was in San Francisco, where, as a boy, he was graduated from Lick high school, and later from the University of California at Berkeley.

An autopsy showed the heart in good condition, and it is believed that Bisbee became overcome by heat when in the well. It is thought that he felt his weakness approaching, and attempted to be raised from the well before fainting. Bruises at the base of the skull showed where he struck his head in falling from the platform into the water.

Robert F. Brey, business associate of the late Bisbee, and brother of George E. Brey, came to Randsborg from Los Angeles upon hearing of the fatality, and accompanied the remains to the southern city, where they were taken.

Bakersfield Girl Slightly Injured

BAKERSFIELD, Oct. 20.—Mary Mendez, 26, residing on Grove street, East Bakersfield, was knocked down and slightly injured as she was getting ready to board a street car at Grove and Sonora streets by an automobile driven by P. Katz, 1211 Nineteenth street. Miss Mendez is at her home under the care of Dr. George Sabich.

Exeter Choral Society Meets in Rehearsal

EXETER, October 20.—The Exeter Choral society met in the Baptist church last evening and rehearsal of some of the numbers to be sung in several concerts that are contemplated filled most of the evening. After rehearsal a short business meeting was called and the officers of the past year were sworn in. The next meeting will be held at the office, about 30 members were present.

PATTERSON NOTES.
PATTERSON, Calif., Oct. 20.—Olinde Olson and family and Mrs. Josephine Johnson and daughter, Doris, attended the Mission church convention at Lipson Sunday.

Mr. and Mrs. C. J. Carlson, daughter Edna, and Mrs. J. H. Corcoran have returned from a motor trip to Los Angeles and San Diego. Mr. Carlson attended the convention of the American Bankers' association at Los Angeles while away and states that more than 4000 delegates and visitors were present.

Mr. and Mrs. J. H. Levitt and daughter, Marie, spent the week end at Fresno, visiting their daughters, Mrs. Weber and Miss Viola Levitt.

SAN JOAQUIN VALLEY SOCIETY

BIRTHDAY LUNCH IS TENDERED AT EXETER

A very enjoyable birthday lunch was tendered Mrs. C. T. Buckman, mother of Mrs. Robert N. Richardson, at the home of Mrs. Richardson Tuesday at 1 p. m. After luncheon tables were brought out and a bridge game was played. The following ladies were present, members of Mrs. Buckman's card club: Mrs. A. A. Noll, Mrs. T. A. Noll, Mrs. Horace Davis, Mrs. C. R. Hann, Mrs. Robert Sherman, Mrs. Loomer, Mrs. Edwards, Mrs. W. A. Waterman, Mrs. Charles Mackey, Mrs. O. Schelling, Mrs. D. H. Howland, and Mrs. V. T. Buckman. Mrs. Sidney Smith was a guest, having come up to Exeter on a visit from Los Angeles.

MALAGA BRIEFS

Mr. and Mrs. H. W. LaRue and Robert Hall went to Delano Saturday. Mr. and Mrs. LaRue returned Monday, but Mr. Hall will visit with his brother until next Saturday.

Mr. and Mrs. M. Goodrich were over Sunday visitors with Mr. and Mrs. Henry Forderhase at Italian City.

Mr. and Mrs. J. L. Mathews from Fowler spent Sunday at the R. W. Briscoe home here.

OROSI CLASSES HONORED

A reception to the freshmen of the Orosi high school was given Friday evening by the sophomore class, and 75 students and members of the faculty enjoyed a pleasant evening. Games and music were features of the entertainment. Later in the evening refreshments were served.

Mr. and Mrs. George Inge returned from a pleasant visit with friends at Turlock.

Dr. Sarah F. Pugh and Miss Sophronia Pugh of Fresno spent the weekend with relatives in Orosi.

HOT SPRINGS PERSONALS

Mr. and Mrs. Charles White and children attended the circus in Porterville Friday.

Nancy White, who has spent the past week at the Henry Hall home in Porterville.

Lee Martin of Duane was a business visitor in Hot Springs Wednesday.

Frank Orr of White River was a visitor in Hot Springs Tuesday.

Mrs. George Quinn and children of Punahoa Springs spent the weekend at the L. H. Quinn home here.

A number of the men of the Hot Springs school district put a new floor, and other repairs in the school house Saturday.

LOST HILLS CLUB MEETS

The Twentieth Century Reading club of Lost Hills was entertained at the home of Mrs. Genevieve Clearwater by the Universal members on Thursday afternoon, October 13. The game of 500 was played and Mrs. Edna Gendler won first prize while Mrs. M. Stolz carried away the trophy prize. After the game dainty refreshments were served.

HELM BREVITIES

Mr. and Mrs. William Symons, Mrs. Middleton and Mrs. J. W. Harrell were recent Fresno visitors.

B. B. Williams has returned from a short trip to San Francisco.

Mr. and Mrs. Charles Williams spent a few days in Fresno this week.

Andy Paaske was a visitor here during the past week.

Mr. and Mrs. Orlie Taylor were recent visitors in Fresno.

PLAN KERNAN SOCIAL

Monday morning, the P. T. A. of the Kernan grammar school, began serving hot lunch to the children attending the school. One hot dish is prepared and served, and if the plan proves advisable, the menu will be added to. On Friday evening, October 28, the association will give a Halloween social in the school to which the public is invited. The children are to come in costume. There will be games, entertainment, and refreshments will be served.

GLASSES THAT ARE PROPERLY FITTED

Because you are wearing glasses does not indicate that you are benefiting your eyes in any way unless you are certain that those glasses are properly fitted to your eyes.

Come in today and let us tell you whether or not yours fit. Remember that if your glasses do not fit they are not helping your eyes the least bit.

920 JAY STREET FRESNO

PORTERVILLE GIRL WEDS AT OAKLAND

Mr. and Mrs. W. C. Saak, of Porterville, have word of the marriage of their daughter, Mrs. Thelma Seal, to Herman Wood. The ceremony, according to information received, occurred at Oakland, Oct. 11.

Mrs. Wood has resided in this community practically all her life, and has a large circle of friends here. Her husband has made his home in Porterville for a number of years, being employed by the Porterville ice company.

It is understood that the couple will make their future home near Oakland.

CLOVIS LEGION TO DANCE

The American Legion will hold a dance at Clovis on Saturday night. Good music will be provided for the occasion. The dance will be given at the John Good hall.

CALWA CLUB MEETS

Mrs. R. Hale, of Calwa, was hostess to the members of the Kili Kara Club at her home recently.

Mrs. L. M. Sobles was the guest of honor at the dinner given by the Calwa Club at her home recently. The dinner was given by the Calwa Club at her home recently. The dinner was given by the Calwa Club at her home recently.

HONOR TAFT MISS

Honoring her sister, Miss Mary Daly, who left today for an extended visit in the east, Mrs. M. B. Flinn opened her attractive new home to a small group of friends yesterday afternoon.

After a pleasant social afternoon a delicious luncheon was served by the hostess at a prettily decorated table and the guests departed extending many good wishes to the honor guest.

Miss Daly will make an indefinite stay in Toledo where she will be the guest of her father, John Daly, and other relatives.

Accompanying her will be Mrs. Alice Gertner, who will go to Iowa to visit her mother.

SULTANA GIRL HONORED

Miss Emma Chapman who resides south of Sultana was given a delightful surprise party at the home of Mrs. P. L. Lissman recently.

The evening was devoted to playing games and several of the guests gave solos on the piano. At a late hour a delicious supper was served by Mrs. Lissman.

TAFT WOMEN GATHER

Club women of Taft gathered at the Petroleum club Tuesday afternoon in regular session, with Mrs. Howard Zellner presiding. This meeting, one of the first of the present season, proved most entertaining, and much business of importance relative to club activities came before the members.

The program which followed the regular session was highly entertaining. A card party for members and the general public was announced to be held at the home of Mrs. Zellner at the Honolulu lease, Tuesday afternoon, October 25.

CLOVIS P. T. A. TO MEET

The Clovis Parent Teachers' association will give a special program at the high school building tonight at 7:30 to which the general public is invited. Teachers will give a special demonstration of the work being done in the schools.

TURLOCK MAN WEDS

Antone Huby of Turlock shipped quickly away to Oakland Tuesday afternoon, got married to Miss Jessie Sturges and was back over the 100 miles and in his place at the theater at 7 o'clock. Huby was surprised to find a slide thrown on the screen announcing his wedding to the audience, he having planned to keep the event a secret. There was a grand applause at the announcement, and

the couple were charioted until early morning by a large number of friends.

ENTERTAIN AT DEL REY

Mr. and Mrs. Chris Danielson entertained a number of friends at their home north of Del Rey, with a chicken dinner Sunday. The occasion was the birthday of Mrs. Danielson. A social good time was enjoyed by all who attended.

PLAN HALLOWEEN PROGRAM

The Herndon civic center association will meet Saturday evening, October 20, for a Halloween program. No further meetings will be held until that date.

BOWLES SOCIETY MEETS

The members of the Bowles Missionary society met at the home of Mrs. Andrew Anderson, Jr., Friday afternoon and after transacting the regular business decided to entertain their husbands at a social on October 27 at the church. A program will be prepared for the social.

Rev. J. D. Bunkup of Syracuse, New York, a member of the International association of evangelists has asked for the use of the Bowles church for a series of meetings to be held this winter. His request was referred to the church board for action.

TAFT LODGE MEETS

One of the most enjoyable meetings of the season was held Tuesday night by the Neighbors of Woodcraft of Taft. The principal business to come before the meeting was the election of officers for the coming year, the newly elected officials being:

Max Blaisdell, guardian neighbor; Edith Marley, advisor; Mattie Summers, clerk; Mary Marvin, banker; Roy Goodale, Joe Gonzales and "T. Tiedeman, managers; Jessie Marvin, musician; Anna Tiedeman, attendant; Mary Campbell, outer sentinel; Mrs. Burman, inner sentinel; Nellie Elean, captain of guards; George Derrings, musician; Agnes Goo, correspondent; Lola Ball, installing officer.

Neighbor Mary Marvin was installed for banker to fill the vacancy caused by the removal of Neighbor Bridges to Long Beach.

Refreshments were served, and all neighbors report an enjoyable time.

ENTERTAIN TAFT TEACHERS

A formal reception will be held at the Taft Union high school this evening for the teachers of the Taft grammar schools and Taft Union high school.

A delightful program has been arranged and refreshments will be served during the evening.

Every parent in Taft is invited to be present to meet and get acquainted with the teachers of the schools.

NEWMAN GIRL MARRIES

William Edward Enos of Watsonville and Miss Clara Mae Enos, daughter of Mr. and Mrs. Tom M. Enos, well known in the Newman

CHURCH WORK BEGUN

BIOLA, Oct. 20.—Work on the foundation of the Congregational church has been started by Chris Lehman, the contractor. The contract calls for its completion within 40 days.

The district, were married in the Catholic church at Newman Monday by Father E. Diore, pastor of the church. Only the immediate relatives and a few close friends witnessed the ceremony.

The groom is the brother of A. L. Enos, assistant cashier of the Bank of Newman and of Joseph A. Enos, assistant cashier of the branch of the Portuguese American Bank of San Francisco.

After their honeymoon trip the couple will reside in Watsonville.

HONOR RIVERBANK MAN

A few of the friends of Edward Ruark entertained him at an oyster supper at the Eagle Cafe on the eve of his departure for Richmond, where he went to work for the Santa Fe Wednesday.

LEAVE RIVERBANK

Mr. and Mrs. John Love of Riverbank are enroute to their old home in Coffeyville, Kansas, for an extended visit with relatives and friends. This is their first trip east in several years, they anticipate a very enjoyable time meeting all friends.

GIVES RIVERBANK PARTY

While their husbands were attending the Masonic lodge meeting Friday evening Mrs. William Webb entertained the following ladies at bridge and later served luncheon: Edna Jones, R. L. Evans, R. E. Thomas, J. C. Waugh, Glenn Foyner, Mary Jones, Pauline Marks, George Parke, A. W. Hawdock, J. Rupper, P. S. Laprade, L. H. Ollott, Charles Meyers and William Bryant.

LATON GIVEN LAND AND LOTS

Library Association Plans Auto Park

Special to Fresno Post.—The Laton library and community association, meeting last night at the Laton high school, was formally presented with a deed to 11 acres of land along the Kings river to serve as a picnic ground and auto park, and two city lots, the gift of the Laguna Land company and L. A. Nares personally. It was indicated at the meeting that a portion of the well known picnic ground will later be converted into a auto camp, and the association will take care of the increased traffic which will follow the completion of the contemplated Laguna-Bowder highway.

The land company, donated to the association the six acres which has served as a picnic ground along the river, while Mr. Nares of Fresno, manager of the company, personally donated to the association the five acres north of the canals and adjoining the six acres, the site of the local library, and the lot occupied by the Union church.

Nares presented the lots to N. C. Blanchard, president of the association, following an appropriate address on community spirit and public utility, while A. G. Smith, vice president of the association, thanked Mr. Nares and the company for their generous gift.

A rising vote of thanks was given Nares and the company by both association members and visitors at the conclusion of the ceremony.

Kern County Firm Lost Jewels When Train Was Robbed.

BAKERSFIELD, Oct. 20.—Sixteen hundred dollars worth of diamonds consigned to the M. M. Liebenstein company of this city were taken in the great postoffice robbery at San Francisco last week, it became known here today. The order was a special one, according to Mr. Liebenstein, but will not result in any loss to his establishment, as the diamonds were heavily insured.

HOUSE IS BURNED

RAISIN CITY, Oct. 20.—The C. McGraw residence on Manning avenue was destroyed by fire Monday morning at six o'clock. Monday morning. The owner of the fire is unknown.

Visalia Red Cross to Elect Officers

Visalia, Oct. 20.—The annual meeting of the Visalia chapter, American Red Cross, has been called for October 26 at the board of trade rooms at which time new directors and officers will be elected and plans outlined for the coming year's work. The Red Cross plans to include in its next membership enrollment at least 4000 people of Visalia and territory and steps looking to the success of this undertaking will be taken at that time.

RETURNS FROM JAMESTOWN

FOYLER, Oct. 20.—Mrs. George Foyler, on accountancy with her sisters, Mrs. Wyle M. Giffen and Mrs. Wright of Fresno, has just returned from Jamestown where they were summoned by the last illness of their father. He had passed away, however, before their arrival.

FRESNO HIGH ELEVEN PLAYS MADERA TODAY IN THIRD LEAGUE GAME

Coach Blewett Will Take Eighteen Players With Squad Which Leaves This Afternoon

Eighteen fast players, the pick of Coach Blewett's high school squad of sixty candidates, will leave Fresno early this afternoon for Madera where they will play the fast Madera high school eleven in the third game of the high school league. Blewett announced the lineup for the Madera game after practice tonight and has picked an eleven which he believes is the equal of any prep school combination in the valley.

Football has had a revival at the Fresno high school this season, and after several years during which the local team lost to many of the valley eleven, Fresno has a team that looks strong enough to hold down the best high school eleven in the state.

Squad of thirty players, a turnout of more than one hundred candidates who reported for football practice at the opening of the season. Coach Blewett has a squad of thirty players, all of whom are strong enough to qualify for positions on the average high school team. Four eleven are running through signal practice and scrimmaging work on the dusty lot back of the new high school five nights a week. The high school turnout for football this year was heavy enough to fill more than the coach and "Duke" Norman, Madera star backfield man on the Fresno legion eleven has been added to the coaching staff to help Blewett round his squad of hunkies into shape.

Several players on the Fresno team are showing up class enough to win them a place on some of the best college varsities in the state if they keep up their stellar work after their high school days.

Hastings, who holds down the pivot position in the Fresno line, is developing into one of the best high school centers in this part of the state. He has plenty of weight and gets into action in a manner that marks him as the best man in the line.

Backfield is fast. Hayes at right guard and Smith left end, are real football players.

Left halfback, Hayes, is developing into one of the best high school centers in this part of the state. He has plenty of weight and gets into action in a manner that marks him as the best man in the line.

Backfield is fast. Hayes at right guard and Smith left end, are real football players.

The Strong Porterville High School Eleven

The first string squad of the strong Porterville high school eleven, which has shown exceptional football strength in the opening games of the season. The players are, left to right: Top row—O. Hill, O. Garrett, R. Doty, M. Wood, C. Elder, P. Frame, Coach D. R. Vignier. Center row—V. Rigby, L. Killian, G. Velle, G. Frame. Bottom row—W. Pratt, C. Dobbs, R. Jenkins, R. Lander, E. Loyd.

TAFT HIGH GRID TEAM LEAVES TO PLAY ALAMEDA

TAFT, Oct. 20.—At five o'clock yesterday afternoon, twenty of the huskiest men Coach Andy Hardin has been able to turn out with the material presented him at the Taft Union high school left for Bakersfield, where they are enroute for Alameda to play the Alameda high eleven Saturday morning. The team at Alameda is reported to be very big and exceedingly clever, and it is expected that the coming game should be one of the best in the season.

The local high school student body is going to a great deal of expense to finance the sending of the team to Bakersfield but if the boys come away with a victory, they will consider their money well spent. Several cars loaded with spectators are expected to follow the trip north Thursday or Friday.

The following boys were selected:

last evening after practice to represent the first string: Captain Vander Horck will hold down the quarter back position as usual, with the able assistance of Curry and Kinney at halfback and Barnes at full. Barnes has played the center position in all former games but Hardin believes that in putting him in the back field the Alameda line will be unable to stop his plunges. The line will be made up of Plaugher, a big 195 pound man at center; Rogers at left tackle; Landon at left guard; Darcy, a fast buy at left end; Blumhail at right tackle; Gill at right guard; and Miller at right end.

The substitutes comprise a team of their own and are able to fill any position as well as the first team men. They are: Guthrie, Benedict, Kearns, Morgan, Blumhail, L. Gold, man, Sherwood, Bell and Taylor. Accompanying the team will be Coach Andy Hardin, Principal R. P. Gray and Doctor Morgan.

KILLS TWO BUCKS.

ATWATER, Oct. 20.—Pete Butler, was on a hunting trip in the mountains above Mariposa the latter part of the week and upon his return brought home two fine bucks.

N. C. ELEVEN OFFERS GAME TO PRINCETON

PRINCETON, N. J., Oct. 20.—An invitation to meet the University of California on the gridiron, either this year or next, was received today by Captain Keck of the Princeton football team.

The letter, signed by Captain George Latham and the California football eleven, speaks of the friendly relations between the two institutions that grew out of the meeting of their crews here last June, and expresses the hope that "this spirit of friendship will be continued indefinitely."

WOMEN GOLF STARS TO PLAY

NEW YORK, Oct. 20.—Announcement was made today that Miss Cecil Leitch, British golfer, would play Miss Alex Stirling of Atlanta, formerly United States champion, in an exhibition match at the Pelham Country club on October 28 for the benefit of the Radcliffe College Endowment fund. This will be their first meeting in this country.

PORTERVILLE TO SEND ROOTERS WITH ELEVEN

Three Hundred Will Go To Lindsay Game

PORTERVILLE, Oct. 20.—Three hundred rooters are expected to accompany the football squad of Porterville high to Lindsay Saturday, for the third game of the high school league. Porterville has defeated both Delano and Tulare, and expects to return a victor in Saturday's game.

In their two previous contests the locals were handicapped by the weight of the adversaries, but demonstrated superior team work and speed. As Lindsay high and Porterville are strong rivals in athletics, the game promises to be a battle from start to finish. The second team of the local high school played the second team of Athletic park, the score being 14 to 7 in Porterville's favor.

WINTER LEAGUE

MISSION CLUB COMES BACK. SAN FRANCISCO, Oct. 20.—The Mission club today evened its one-sided defeat of yesterday by walloping the San Francisco club by a score of 5 to 2. Cobb, who did sensational work yesterday, scored again today. The score: R. H. E. San Francisco..... 2 4 2 Mission..... 5 12 1. Couch and Yell; Russell and Agnew, Antinori.

VERNON DEFEATS ANGELS. LOS ANGELES, Oct. 20.—Vernon defeated Los Angeles here today, 8 to 1. Dell is holding the Angels to five hits, while Vernon took seven from Brenton, making good on five of them. The score: R. H. E. Los Angeles..... 1 5 1 Vernon..... 8 7 1. Brenton and Adams; Dell and Hannan.

DEMPEY AGREES TO MEET WILLARD

CHICAGO, Oct. 20.—Tex Rickard, fight promoter, returned to New York tonight without having signed Jack Dempsey, world's heavyweight champion, for a match with Jess Willard, but with the announcement that Dempsey had agreed to fight Willard and that the match would be settled soon. Asked by Dempsey if he "was getting the big fellow ready," Rickard retorted that Willard would be in first class shape for the fight, which he said probably would be held in the East.

National Tennis Stars Will Play at Berkeley for Benefit of California Stadium Fund

"Crip" Toomey, Fresno Star on Bear's Eleven, Shows Speed in Navy Game in Spite of Injuries

BERKELEY, Oct. 20.—Fourteen tennis players of national and international fame are to appear on the Berkeley Tennis club courts on Saturday and Sunday, October 29 and 30 in exhibition tournaments staged for the benefit of the University of California stadium fund. The matches will be featured by the appearance of Mrs. May Sutton Bunday, three times national champion; Phil F. Neer, of Stanford, intercollegiate singles champion, and Robert and Howard Kinsey, metropolitan doubles champions.

Executive committees at both California and Stanford University have sanctioned the program arranged by Edwin W. Wallace, California tennis manager.

Mary Sutton Bunday Entered. Mrs. May Sutton Bunday is coming all the way from Los Angeles to take part in the tournament to boost the stadium fund. She defeated Mary Browne this year in the east, and has made a remarkable comeback after a week that he could play football in spite of injuries. After Bill Ingram's place kick had given the Fleet eleven a three point lead, placing California behind in a football game for the first time in two years, "Crip" got into action with his injured foot and pulled the Bears out of the hole by kicking a 38 yard run.

Toomey foot, however, did not respond well to the rough treatment he got in the game with Ingram's fall, and he was soon taken from the field. The torn ligaments in his leg do not seem to be mending rapidly, and Coach Smith does not intend to use the Fresno star again until he has completely recovered. Toomey will be needed in the game with Stanford, and Smith does not intend to take any chances on injuring him permanently.

Stanford and California's women swimming teams will meet this year for the first time in three years. An intercollegiate women's aquatic carnival is now being arranged for November 5. A number of fast girl swimmers have been developed at both colleges, and some good swimming is expected when the two teams meet.

Intercollegiate Rivals Meet. In the coming tennis championships, Neer eliminated Bates in the intercollegiate matches, but the Blue and Gold player came back and gave his rival the same treatment at Newport later in the season. Both men are anxious to settle the argument as to their superiority and should put on the feature match of the tournament.

Johnnie Strachan and Roland Roberts, who recently competed in the final match for the state championship will meet each other again. Another match attracting wide attention is the doubles match between Helen Willis and Helen Baker, and Anna and Lucy McCune of the University of California.

Plans for an intercollegiate doubles match in the stadium fund exhibition were abandoned this week when Jimmy Davies, team mate of Phil Neer, and captain of the Stanford basketball team this fall was operated on for appendicitis. Davies' misfortune will keep him out of action for several months, and his loss is being lamented at Stanford, where he is a tennis and basketball star as well as a second string pitcher on the Cardinal nine.

MEXICANS TAKE TO AMERICAN NATIONAL GAME

CHICAGO, Oct. 20.—Baseball has attained such a marked popularity in Mexico, according to Ben Johnson, president of the American league, that today he announced he would go to Mexico City on December 1 to explain how the game is conducted in the United States.

NO WHINING ALLOWED SAYS WOMAN UMPIRE

RIVERBANK, Oct. 20.—If Manager Robinson of the Riverbank team can have the one umpire rule of the county series changed to permit having two at the game next Sunday when Ripon plays Riverbank on the Riverbank diamond, fans will see the first woman umpire officiate in a game. Miss Juanita Cartwright of Winnebago, Nevada, who is visiting friends here, will act as umpire, and is simply able to do so having umpired many games for the cowboys on her father's ranch in Nevada. Miss Cartwright knows the rules of the game and says her motto is the same as all good umpires, "Call 'em as you see 'em and no whining allowed." If she goes in the game Sunday it will likely be the club house for some of the unruly players who must up the sport of the game for the spectators.

TECH TEAM HAS STRONGER BACKS IN GAME TODAY

Dickelman Will Take 2 Squads To Sanger

For the first time this season the new Technical high football team will have a substantial lead over the Fresno boys go to Sanger to tackle the high school eleven of that place this afternoon.

In the former games this season Coach Dickelman's team failed to show up strongly on account of Tech's weak backfield. This week several shifts were made in the lineup and some new men turned up in the backfield who have shown real ability in carrying the ball.

Currie, Dick, Edwards and Woods will comprise the backfield men who start in the game this afternoon. Dickelman is leading two complete teams to Sanger and expects to use most of his men in the game in order to give them playing experience.

The lineup announced last night follows: Left end, Hayes; left tackle, Marty; left guard, Haguer; center, Lofton; right guard, Lund; right tackle, Crousey; center, right end, Edmonds; quarterback, Currie; left halfback, Dick; right halfback, Woods; fullback, Edwards.

Substitutes—Ends, "Komei" and S. Phillips; tackles, Paiva; guards, Philip and Blackwell; backfield, Magner, Quan and Johnson.

HORSE FALLS IN RACE INJURING TOMMY MURPHY

ATLANTA, Ga., Oct. 20.—Tommy Murphy, a local driver in the Grand Circuit, was injured today when he fell in the 220 race. It was said tonight that while he was in the race, Murphy was not seriously hurt.

The race in which the spill occurred had proved the most exciting of the program. Murphy, who was driving a Gray took the first heat with Peter Healy second and D. W. Malloney, the only other entrant. Third, Murphy gave Gray a hot race and almost passed him. The next heat saw Keener, driving D. W. Malloney, furnish Gray's mare the opposition but in the final three entries were in the fight until Peter Healy fell. Mabelle Direct won.

Y.M.C.A. FORMS NEW GYM COURSE

An older business men's gymnasium course will be started today at the Y. M. C. A. The opening meeting will be held shortly after 12 o'clock. L. C. Long will be in charge of the class.

This class is open to all business men. Fresno who are interested in the course furnished to the younger business men's gymnasium classes is too strenuous for them. Meetings will be on Tuesday and Friday, 8:00 a.m. to 12:15 until one o'clock.

SCHONER OVERHAULED.

JALIFAX, N. S., Oct. 20.—The Gloucester schooner Elsie, which is the Gloucester international fishermen's trophy in races beginning Saturday, was hauled out on the marine slip at Dartmouth today for an inspection of her hull. She will be refitted tomorrow when her place on the slip will be taken by the Canadian challengee Blue-nose.

SANGER ELEVEN HAS FIVE GAMES

SANGER, Oct. 20.—A schedule of five football games has been arranged for the Sanger high eleven which opens its league season tomorrow against the Fresno Technical high school team. Four of the scheduled games are league games.

On Thanksgiving day it is planned to have a special game between the Sanger and Chowchilla high school eleven, the game to be played at Sanger.

Other games on the season's schedule are: October 28, Fresno high at Fresno; November 4, Madera high at Madera; November 18, Fowler high at Fowler.

CANCELS GAME WITH NAVY.

CLARKSBURG, W. Va., Oct. 20.—West Virginia Wesleyan was forced today to cancel its football game with navy at Annapolis, next Saturday, because the navy team is on the hospital list and six others are suffering from injuries which will keep them off the gridiron for at least another week.

You'll be "sitting pretty" for the next ten years if—

"No seats at the Big Game for the general public." This is what the newspapers have said each November for several years. But you will be there for the next ten years if you send in your subscription to the California Memorial Stadium at once. This is the last opportunity to insure seeing the West's football classic—California vs. Stanford—for ten years, whether played at Berkeley or Palo Alto.

Owing to the necessity of providing immediate funds for the California Stadium, 10,000 units of two seats each for ten years beginning with the Big Game this year have been offered to the general public and California alumni. This limit can not be increased. Seats will be snapped up rapidly—you must act at once. Last year 62,000 requests for seats were received from alumni and students of the two universities alone. The California Stadium (and that at Stanford too), will seat only 60,000 people.

Big Game Reservations being mailed now to Stadium Subscribers

Mail your check for Stadium subscriptions at once if you want to see this year's game. You can buy as many units as you desire.

Remember these Big Game seats for Stadium subscribers are in the choicest locations—seats that would sell for five dollars each if available to the public. Arrangements can be made to reserve units in block for clubs and fraternal organizations. Individuals may reserve as many units as wished. This offer can not be repeated for ten years. Don't delay, mail your check today.

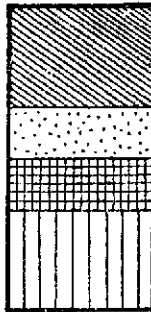

HOW THE 40,000 SEATS ARE ALLOCATED

10,000 units of 2 seats each for male to California alumni and general public.

5,000 units of 2 seats each for California rooters and women students. (Not open.)

5,000 units of 2 seats each for present California students on their permanent seats. (Not open.)

10,000 units of 2 seats each go to Stanford students and alumni and Stanford stadium subscribers.

Pay Only \$25 Now

and \$75 in three quarterly payments, and you will receive a two-seat unit at each Big Game played either at Berkeley or Palo Alto for nine years beginning this November, and an option on your two seats the tenth year.

\$100 cash gives you two seats at each Big Game for ten years beginning November, 1921.

Under either plan of payment you will always have first option upon seats at all California athletic contests, including conference football games and the annual intercollegiate game now being arranged between California and a large Eastern university. Your seats in the California Stadium will be marked by a brass plate carrying your name. Big Game tickets are transferable.

Put this down in black and white!

IT'S A FACT—listen:
You know what you've always wanted a cigarette to do—
Chesterfields do it.
They not only please your taste but they do another thing—
They satisfy.
They give to your smoking a "completeness" that is altogether new and different.
Those fine tobaccos—Turkish, Burley and other choice Domestic varieties—are blended right.
Just right!
That's why you get "satisfy" in Chesterfields.
And the blend can't be copied.
There's no use looking for "satisfy" anywhere else.
Don't try it—try Chesterfields.

They Satisfy
—and the blend can't be copied

SANGER CLUB BOOSTS ROAD

Clarks Valley Highway Work Urged

Republic Service
SANGER, Oct. 20.—A resolution urging the supervisors of Fresno county to expedite work on the highway from Sanger through Centerville and Minkler to Clarks Valley, was passed by the Sanger Booster club at its meeting last evening. A committee will be appointed by the president to submit this matter in conjunction with similar committees from the Sanger Farm Bureau center, the Centerville Farm center and a delegation from Tivy Valley, Minkler and Centerville.

This Red Cross drive, which will start November 11, was explained and the idea corrected that the club went to pay the expenses of the national chapter and none of it used for the local branch. Guy Johnson, treasurer of the local branch of the Red Cross, reported that \$1,000 had been collected during the past year, and that donations had been made to the French babies' fund out of the receipts of the last roll call.

B. D. Knapp, president of the Sanger farm bureau, explained the San Joaquin Valley Association of Commercial Secretaries at Visalia, October 23, and a vote in favor of having two initiative measures, as proposed by the association, placed on the ballot at the next general election.

The secretary was instructed to attend the meeting of the San Joaquin Valley Association of Commercial Secretaries at Visalia, October 23, and a vote in favor of having two initiative measures, as proposed by the association, placed on the ballot at the next general election.

The resignations of H. A. Wilehard, R. E. Tierman and C. A. Cowell as directors of the booster club were accepted, and W. D. Cray, J. J. Sargent and H. B. Robertson were elected to fill the unexpired terms.

The promotion of a telephone line south and west and which is to be connected with the Sanger exchange was referred to the secretary for more detail.

The celebration of Armistice day at Reedley came up for final action and the club voted to make as large a demonstration as possible. The Sanger band is to be furnished, one or more decorated automobiles, 50 or more machines in line, and as many as 100 flags will be possible to assemble. The secretary was instructed to order 500 distinctive caps and canes for the parade.

The plans of the farm bureau for the eradication of the picture who were explained by Mr. Knapp and a short talk made by M. W. Bacon on the proposed survey of the Squaw Valley power and water proposition.

DOES RAILROAD WORK
HARDWICK, Oct. 20.—The Southern Pacific maintenance of way train with nine men under Foreman Carl Thompson is in town putting in stock guards and repairing culverts and bridges. It leaves in a few days for Armona.

Pioneer Resident of Dinuba Dies

MRS. MELISSA DONLEY, who passed away early yesterday morning.

PIONEER WOMAN DIES AT DINUBA

Mrs. Melissa Donley Is Summoned

Republic Service
DINUBA, Oct. 20.—Mrs. Melissa Donley, pioneer Dinuba woman, died suddenly at her home on South K street last night at 10:30 o'clock. Although Mrs. Donley had not been well for several days it was not until last night shortly after retiring that she became alarmed and called her physician, Dr. Seligman. Death came almost immediately.

Coming to Dinuba about 28 years ago, Mrs. Donley had made her home here almost constantly since that time. She was born in Armona, Ontario, Canada, and spent the earliest years of her life there. She was married to Frank Donley, and five children were born in Armona.

The surviving children are: Mrs. R. F. Dunn of Dinuba, Mrs. Media Hinds of San Francisco, and Claude Donley of Merced. These children, Leonard, Frank Jr., and Milton passed away in earlier years. Her husband, P. M. Donley, died here a number of years ago. A sister, Mrs. Jaynes, lives in Canada.

BELLS BUSINESS
KINGSBURG, Oct. 21.—A. T. Brewer who has been engaged in the butcher business with Will Clark for many years recently disposed of his interests in the Kingsburg Meat Market to Hugh Clark, brother of Will Clark. This constitutes the third sale of business interests in Kingsburg during the week.

DEATH OF GIRL HELD ACCIDENT

Coroner's Inquest Held At Hanford

Republic Service
HANFORD, Oct. 20.—No blame was attached to the driver for the automobile accident in which Marie Casanella received fatal injuries Saturday evening by the coroner's jury today, following the girl's death last evening at a local hospital. C. C. Ross, who drove the car was corroborated by other witnesses to the effect that he was driving very slowly and carefully around the corner. He said he did not see the little girl until he struck her and it was apparent that the child and her younger brother who were crossing the street either became confused or did not see the car coming.

The funeral will be held at 2 p. m. tomorrow from St. Bridget's Catholic church and burial will be in the Calvary cemetery.

The child was 10 years of age, the daughter of Mr. and Mrs. Frank P. Casanella of this city.

Remodeling of Lemon Cove Church Started

LEMON COVE, Oct. 21.—Work was started Monday morning on the remodeling of the Lemon Cove Presbyterian church. A new room, 18 by 24 feet, is being added on at the rear of the building, and will be used for Sunday school class rooms and for the meeting of the Ladies' missionary society. A new roof will also be put on the main building and the interior will be retiled and painted.

Because of the recent growth of the Sunday school the need of more class room is imperative. Last Sunday 87 were in attendance. The automobile race contest started recently is creating much interest. The junior girls won the first lap in the race and will be entertained by the rest of the school at the community auditorium Friday evening.

Wanted—For stock, R. Harpala, 728 Farris avenue. Phone 4240 J.

Oakdale Youth Is in Kindergarten When 3 Years Old

Coroner's Inquest Held At Hanford

Republic Service
OAKDALE, Oct. 20.—Oakdale probably has the youngest student in the state attending school, in the person of Kong Woh, five year old son of Kow Hoon, local handyman. The little Chinese boy entered kindergarten two years ago, when, but three years of age. He is now in the first kindergarten class, in the first of the brightest pupils in the Oakdale grammar school.

The law provides that children must be at least four years of age when they enter kindergarten and the child's mother claimed he had passed the age limit when she enrolled him. During registration week, however, Kong produced the birth certificate of his son, and it developed that the boy had been attending school since he was three years of age.

Irrigation Board Official Resigns

OAKDALE, Oct. 20.—Milo J. Caton, newly elected superintendent of the Oakdale Irrigation district, has declined the position and the board is again busy trying to fill the vacancy. The board met yesterday to meet with Mr. Caton, but he failed to appear. Instead came a letter stating that since accepting the position, conditions had arisen in Merced, his home, which made it imperative that he remain there. He therefore respectfully declined the position.

The board is now considering R. E. Hartley of Fallon, Nevada, for the position. Mr. Hartley is on the Newlands project in Nevada, as an assistant superintendent, and engineer, and has been connected with the reclamation service for six years. The board has decided to invite him to come to Oakdale for a conference.

Wanted—For stock, R. Harpala, 728 Farris avenue. Phone 4240 J.

SELMAN HELD FOR FORGERY

Passes Two Checks On Business Men

Republic Service
SELMAN, Oct. 20.—Bernard Benton, Selman youth, was arrested last night by Constable H. B. Staley on a charge of forgery in connection with the passing of two checks for \$24.29 each on which the name of W. H. Warren Tuesday. Benton was lodged in the Selma jail and will be given a preliminary hearing before Judge C. E. Laughlin.

Benton was arrested after attempting to pass a third check on Schuler Brothers store from which he escaped after Mr. Warren, a local rancher, had been called to determine the worth of the check. He was later located by J. C. Hansen who had refused to cash another check yesterday and his arrest followed.

The two checks which were passed here Tuesday were cashed by the First National bank and the Snyder Pool hall. Warren declared today that he had written no checks recently for \$24.29.

Building Is Active In Firebaugh City

Through the efforts of Mrs. H. A. Seller, clerk of the Firebaugh school, building and grounds have been made recently. An addition to the (Gowrie) hotel has also been completed.

Stensen Brothers, contractors for the Whites Bridge road work, have established headquarters here. Considerable improvements have been made by Miller & Lux in their bank in Firebaugh, while carpenters are at work on the Fresno county bridge here.

J. L. Compton has just completed a new building and is making other improvements on his local property.

START NEW BUILDING
ATWATER, Oct. 20.—Work has started on the new bakery brick building next to Mitchell hall on Front street. The structure will be 25x115 feet. It is expected to have the new business opened about Christmas time.

THOUSANDS ARE SAVING OUR DIVIDENDS—WHY NOT YOU?—They are a profit sharing arrangement whereby every Kutner customer whether in Fresno, Hanford, Selma or Madera participates in the earning of the Kutner chain of stores, by concentrating their buying and saving our dividends, one given with each 10c sale. You can no more afford to neglect saving these than you can afford to leave the counter without your change.

Kutner's Service

Kutner service now and then resolves hard knocks by virtue of changing help. We aim to overcome these conditions at all times and are sincerely desirous of having you report for betterment any of our shortcomings. It's your store in a measure—you pay the salaries—you keep it going—we are here to serve you and it's only through your interest in its welfare that we will know of its shortcomings.

Now Is the Time to Get Your Heater

Get the full measure of comfort and enjoyment through all the long winter months.

Nox Dust Cloths, 50c

Will soon be used exclusively in Fresno—One of our best customers had forgotten where they were to be found, and spent a good part of a morning phoning to the different Fresno stores asking for them. None other would do him. For your information will say that Kutner's are exclusive agents for this famous cloth and guarantee them to clean your automobile in better shape than any other cloth known. Don't Neglect the Curtains---

For Curtains Make the Home

Have you ever entered a home, the outside of which had impressed you with its elegance, and found your expectations of rare beauty within shattered by the sight of a most commonplace room, a room entirely lacking in harmonious furnishings and settings?

There are many of just such homes in Fresno; homes that at a glance will show the lack of—not money, but cultivated artistic taste, in the matching and harmonizing of furnishings.

There is nothing like the touch of an artist in the decorating of a home, whether it be the humblest of cottages or the most elaborate of mansions.

The California Drapery house has a staff of these artists, who are always at your service, and a most complete assortment of drapery materials from which you can choose the pattern and fabrics that will most fittingly decorate your home.

Whether you come to buy—or just for advice—you'll find an organization that's always eager to serve you here.
